# Village Academy Center Physical Education & Physical Activity

Basketball Club and Milers' Club are just a few of the many afterschool activities that focuses on improving physical and mental growth through movement.

Every week, elementary students at Village Academy Center have an opportunity to participate in basketball. Students involved in these activities receive a perfect mixture of physical movement and hand-eye coordination that maximizes the students' physical growth. Basketball Club is focused around improving physical and mental growth through movement. Other physical activity clubs at VA include weightlifting, Milers' Club, Track & Field, and Volleyball
