March 15, 2024

Dear Parents and Guardians:

Florida legislation provides for multiple part-time and full-time options for virtual education courses as part of K-12 educational choice. For the 2024-2025 school year, the enrollment windows for virtual instruction programs are listed below. Palm Beach Virtual School offers courses with the District Franchise of Florida Virtual School, Imagine Learning (Edgenuity) Virtual Academy, K12: A Stride Company, and district developed courses in Canvas.

The enrollment windows for virtual education for the 2024-2025 school year are as follows:

- K-5 full-time enrollment is open April 15, 2024 through July 15, 2024
- 6-12 full-time enrollment is open April 15, 2024 through August 23, 2024
- 6-12 part-time enrollment is open April 15, 2024 through February 14, 2025

Virtual education is one of the many choice options available to K-12 students throughout The School District of Palm Beach County. Through Palm Beach Virtual School, eligible K-12 students take part in fully accredited learning experiences guided by Florida certified teachers.

If your child is currently enrolled in a public school, we recommend that you work closely with your current school counselor prior to registering for a part-time virtual course.

Please visit www.palmbeachvirtual.org for detailed information about our programs. If you wish to discuss virtual education options, the Palm Beach Virtual School staff is available at (561) 790-9820.
