“Taking the Lead in Educational Excellence”

Dear Partner:

Through our partnership with you and numerous other organizations and individuals throughout the nation, the School District of Palm Beach County continues to be recognized for staying in the vanguard of education reform in Florida and nationwide.

With our keen focus on academic achievement through data driven decision-making, our students and communities are reaping the benefits of the latest education research and practices.

For your convenience, there is now an easy way for you as a partner to become familiar with and share with others the comprehensive academic and business programs in our school system: *The Academic Business Plan*

The Academic Business Plan provides a complete look at all of the programs the Board and Administration have been developing over the past few years with support from you and our other partners. And, it explains how the programs are connected to work for our students and community. Here is why Palm Beach County is in the vanguard of education reform:
