SAT Is Now at The Ridge

Starting Saturday, December 5, and for all 2010 test dates, SRHS will be an official College Board Scholastic Aptitude Test (SAT) administration site. Students who've already registered for the December 5 SAT but would rather take the test here should see their guidance counselors immediately.

PBAU to Visit SRHS

Representatives of Palm Beach Atlantic University will give a presentation to our campus Monday afternoon, November 9 at 1:15 in our media center's Ridge Room. Sign up in advance at our guidance office to attend the presentation, covering admissions and registration, academic and vocational programs, and financial aid / scholarship options.

ASVAB's Here Again

Juniors and seniors: sign up to take the ASVAB (Armed Services Vocational Aptitude Battery), a multi-aptitude test providing a snapshot of your current knowledge and skills. ASVAB is both a career exploration activity and a tool for learning about yourself. Not only can it help you confirm your college plans—it can as well help you identify career options you may not have considered.

Test details: 7:50 Thursday morning, November 12, SRHS auditorium—sign up in Guidance before or after school or during lunch.

Freshman Parent Night

Our guidance department will host a 'Freshman Parent Night' from 6:30 to 8:00 in our auditorium Tuesday, November 17. All ninth graders and their parents are cordially invited to attend. Join us and learn more about graduation requirements, Bright Futures and other scholarships, FCAT, and Edline. Contact our guidance office at 422-2610 for more information.
