SUBJECT: FLORIDA COMPREHENSIVE ASSESSMENT TEST (FCAT) PACKING TEAMS

The Florida Comprehensive Assessment Test (FCAT) will be administered to all third through eleventh grade students in February and March 2010. The Department of Assessment is recruiting District and Area office staff for FCAT Packing Teams to assist our schools on Monday, March 22, and Tuesday, March 23, 2010. All District and Area staff members (e.g., director, specialist, clerical, clerk, manager, program planner) are asked to participate.

A staff member may request an assignment to a preferred geographical area and/or school. The Department of Assessment will make every effort to honor these requests and, when necessary, work with the staff member to find a mutually acceptable location. We will inform staff of their assigned school(s) and exact reporting time, by email, on or before March 1, 2010.

Packing team tasks include counting and verifying testing materials and placing testing materials into appropriate boxes for shipping. The packing team must remain at the school until all FCAT packing has been completed.

The Department of Assessment will provide training for FCAT packing teams. Each participant must attend the required training at one of the sessions listed on the attached schedule. Registration is not required. Staff who have attended packing team training in the past may opt for the online training available at the Assessment Department home page: <http://www.palmbeach.k12.fl.us/drea>. Questions regarding training should be directed to the Department of Assessment at 357-7548 or PX 47548.

The following documents are attached to the electronic copy of this bulletin:

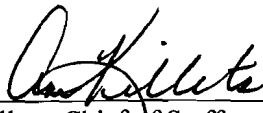

- A list of training dates and times
- A list of schools by area
- A list of charter schools

Please contact Theresa Santino in the Department of Assessment by February 16, 2010, to request a packing team assignment. The Department of Assessment will coordinate the assignment of packing team members for the entire district.
