

Do you teach at a Title I school and need to become highly qualified (HQ)?

The School District of Palm Beach County is offering reimbursements of subject area exam registration and certification add-on fees to teachers who pass a subject area exam to become highly qualified for the subjects they teach.

Register NOW for a subject area exam (SAE) at: www.fl.nesinc.com

To be eligible for reimbursement, you must...

- Teach a core content subject for which you are not HQ.
- Pass the corresponding SAE and add the subject to your teaching certificate.
- Submit the required documentation to the Certification/HQ Standards Office prior to June 20, 2011.

Reimbursement of test registration and add-on fees will be processed on a “first come, first served” basis until the funds run out!
