

Do you teach at a Title I school and need to become highly qualified (HQ)?

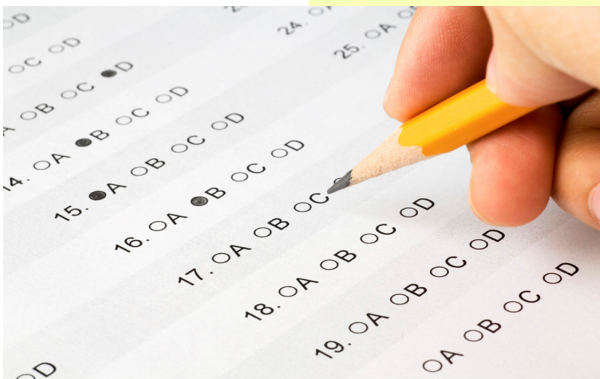

Federal funds are now available to reimburse teachers who pass a subject area exam to become highly qualified for the subjects they teach! Teachers will be reimbursed for the registration fee as well as the \$75 fee to add the subject to the teaching certificate.

**Register for a subject area exam (SAE) NOW at
www.fl.nesinc.com**

To be eligible for reimbursement, you must...

- **Teach a core content subject for which you are not HQ.**
- **Pass the corresponding SAE and add the subject to your teaching certificate.**
- **Submit the required documentation to the Certification/HQ Standards Office prior to June 1, 2012.**

Reimbursement of test registration and add-on fees will be processed on a “first come, first served” basis until the funds are expended!
