

Create a Here Comes the Bus (HCTB) Account

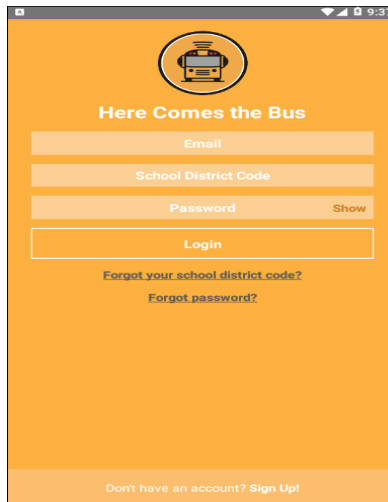

TO BE ELIGIBLE FOR HCTB STUDENTS MUST BE ASSIGNED TO A REGULAR OR ESE BUS ROUTE

HCTB will only be available to select schools in the Fall, additional schools will be added throughout the school year as the application is fully developed.

Note: Have your student's ID number ready, if possible. If not, there will be instructions later in the steps on how to obtain it from your school.

1. Download and install the Here Comes the Bus app from the Apple App Store or Google Play. When you first open the application, you'll be presented with this screen.

2. Select **Sign Up!** at the bottom of the page.
3. The following screen will appear. Select **Continue**.

4. You'll be asked for your school district's code. Our District code is **33000**, Select **I Have the Code**

5. Enter your **Email, First Name, Last Name,** and **School District Code.**
6. After reviewing the Terms of Use, Select the **I Accept the Terms of Use Agreement** radio button. Select **Continue.**

Create a Here Comes the Bus (HCTB) Account

A screenshot of a mobile application screen for creating an account. The title is "Create your account for Here Comes the Bus". Below the title, it says "Please enter your email, first and last name, and your School District Code". There are four input fields: "Email", "First Name", "Last Name", and "School District Code". Below the fields is a radio button labeled "I accept the Terms of Use Agreement". At the bottom is a "Continue" button.

Note: To review the user agreement, Select [Terms of Use Agreement](#)

7. **Palm Beach District Schools** should appear in the dialog box. Select **Confirm**.

A screenshot of a dialog box titled "School District Code". The text inside says "Please confirm you are registering for Palm Beach District Schools". At the bottom, there are two buttons: "CANCEL" and "CONFIRM".

8. The Password screen will appear.

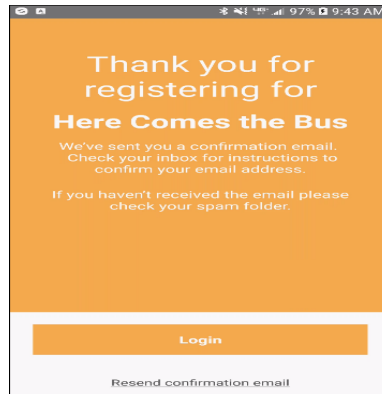

A screenshot of a mobile application screen for creating a password. The title is "Please create a password for your account". Below the title, it says "The password can be 8 to 16 characters, must include both uppercase and lowercase letters, and must contain at least one number and one of the following special characters: !@#%*()_~&{;?:". There are two input fields: "Password" and "Repeat Password", each with a "SHOW" button. At the bottom is a "Confirm Password" button.

9. Enter the password you'd like to use for Here Comes the Bus in both the **Password** and **Repeat Password** fields.

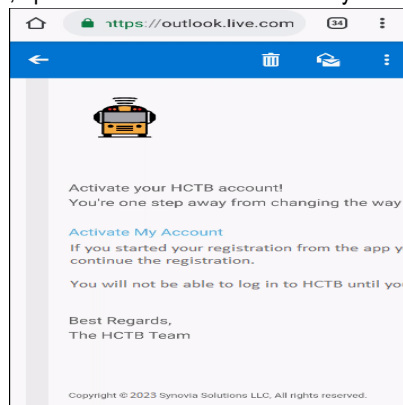

Note: You can select Show if you'd like to verify the characters you entered. Your password needs to be 8 to 16 characters and contain both uppercase and lowercase letters and at least one number and special character.

10. Select Confirm Password. A Thank You screen will be displayed..

16. You'll be prompted to add your student's information.

A screenshot of a mobile app interface. At the top, there's a status bar with signal, Wi-Fi, and battery icons, and the time 11:03 AM. Below that is a navigation bar with a back arrow and the word "Back". The main content area has an orange background with a white box containing a person icon and the text "Enter your student's information to continue". Below this is a smaller text block: "Don't worry if you are adding more than one student. You have the option to add more students later." There are three input fields labeled "Last Name", "Student ID", and "Student PIN". Below these is an orange "Add Student" button and a link that says "Need your student id?".

17. Type your student's **Last Name**, **Student ID**, and **Student PIN***.

Caution: Make sure to type JUST the last name! A common mistake parents make is to type both the first and last name here, which will result in an error.

*The student PIN can be found on the [SIS Gateway](#) under My Child in the Demographics section. If you don't have a Gateway Account contact your child's school and request the SIS Gateway Parent Account Letter which contains the PIN. The Student PIN can be used to sign-up for HCTB and the SIS Gateway.

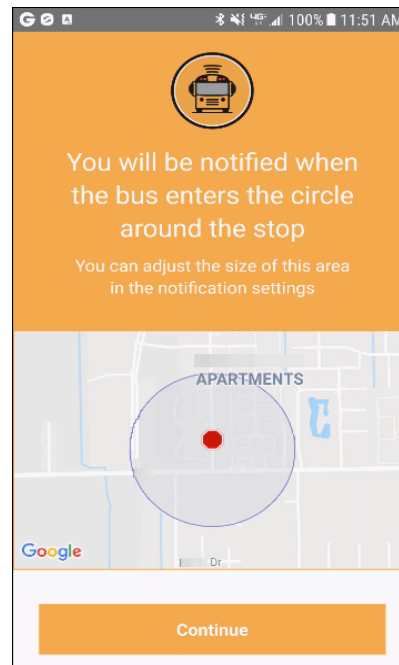

18. Select **Add Student**. The stops assigned to your student will appear.

A screenshot of a mobile app interface. At the top, there's a status bar with signal, Wi-Fi, and battery icons, and the time 11:34 AM. Below that is a navigation bar with a back arrow and the word "Back". The main content area has an orange background with a bus icon and the text "Here are the stops we have on file for THOMAS". Below this is a smaller text block: "If you don't see your stop(s) please select I need help". There are two input fields labeled "AM" and "PM", both with "COURT" entered. Below these is an orange "I need help" button and an orange "Continue" button.

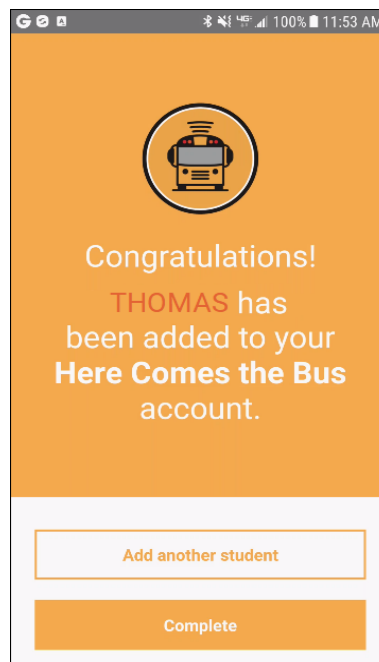

19. Select **Continue** on this screen. Your notification radius will appear on a map.

NOTE: This is a circular area around your student's bus stop; when the bus enters the radius is when you will receive an alert by email or push notification, if selected
