

Report Type		Purpose of Report	Access Level
I	Student Activities Summary Report	Details a single student's performance on all instructional activities that have been assigned to that student. Includes percent of activity completed, time on task, start/due dates	Teacher, Principal, Superintendent
II	Student Activity Progress Report	Details a student's performance on a single instructional activity. Includes percent of each component of activity completed, breakdown of time on task, start/due dates on how the details on workout questions	Teacher, Principal, Superintendent
III	Student Tests Summary Report	Details a single student's performance on all tests that have been assigned to that student. Includes percent score, number of correct answers and dates the test was taken	Teacher, Principal, Superintendent
IV	Student Test Response Report	Details a single student's performance on a single test. Includes a record of correct or incorrect answers with details of the Learning Objective addressed as well as the details of the student's answer and the correct answer for that question.	Teacher, Principal, Superintendent
V	Student Mastery of Learning Objectives	Details a single student's performance on a single test with respect to learning objectives/state benchmarks addressed by that test.	Teacher, Principal, Superintendent
VI	Student Mastery of Benchmarks Report	Includes overall test score, details of how the student scored on each learning objective/benchmark and the number of questions within the test that address	Teacher, Principal, Superintendent
VII	Class Activities Summary Report	Summarizes the details of the performance for a whole class on all instructional activities. Includes average percent completion of the activity by students, the average time on task and the start/due date for each activity.	Teacher, Principal, Superintendent
VIII	Class List Activity Progress Report	Details the performance for each student in a class on a single instructional activity. Includes percent of activity completed for each student, time on task for each student and state/due dates for each activity.	Teacher, Principal, Superintendent
IX	Class Test Summary Report	Details the performance for a whole class on all tests that have been assigned to that class. Displays the average percent score for each test assigned to the class, the number of students who passed each test, number of students who took test and the date the test was taken.	Teacher, Principal, Superintendent
X	Class List Test Score Report	Details the performance for each student in a class on a single test. Includes the percent score on that test for each test, number of correct answers out of total number of questions, date test was taken.	Teacher, Principal, Superintendent
XI	Class Mastery of Learning Objectives Report	Details the performance with respect to learning objectives/benchmarks on a single test.	Teacher, Principal, Superintendent
XII	Class Mastery of Benchmark Report	Displays average percent score for each learning objective/benchmark addressed by test as well as number of questions on test that address each learning objective/benchmark.	Teacher, Principal, Superintendent
XIII	Grade Level Achievement Report	Details the performance with respect to NYS standards/benchmarks on a single test that has been assigned across classes within a school or across schools within a district. Includes average percent score for each benchmark addressed by that test as well as the number of questions in the test that address each benchmark; details of when the test was taken, as well as the number of students who took the test out of the number to whom it was assigned.	Principal, Superintendent
XIV	District Regional Achievement Report	Shows performance with respect to distribution of students' scores on all tests. Scores shown are over 3 intervals of achievement (0-50%, 51-75%, 76-100%). Results are grouped by schools or regions.	Superintendent
XV	District Activities Usage Report	Shows number of activities created and assigned for all schools within the district and details the average time spent on an activity. The data can be filtered by date to narrow or broaden the data.	Superintendent
XVI	Student Historical Activities/Test Reports	Shows the performance of a student on activities and tests previously assigned to that student while attending other schools within the region.	Teacher, Principal, Superintendent
