

Third Annual *Learn Green*: A Green Schools Conference & Expo Goes Statewide...Come Join Us!

This exciting one-day conference provides a forum to share innovative and effective "green school" practices, facilitate professional development, encourage cooperative initiatives and share technical assistance. The event features sessions and exhibits that inform participants about innovative ideas and provides resources for greening school practices and curriculum that schools can implement right away. Full conference information available at:

www.ourgreenschools.com/learngreenconference

Keynote Speaker: Rachel Gutter, Director of the Center for Green Schools for the USGBC

Breakout Sessions

Speakers will focus on ideas about how to "green" a school's daily operations and curriculum, with an emphasis on practical and easy-to-implement steps. Presentations will be available in all of the following tracks:

- School Grounds Enhancement
- School Sustainability (Energy, Water, Waste)
- Youth Voices
- Curriculum Integration
- Community Partnerships
- Innovative Programs & Practices
- School Design & Construction

Exhibit Hall

The exhibit hall highlights agencies and vendors who offer environmentally-based goods and services, as well as educational opportunities. Some of the 100+ exhibitors include:

- SP Recycling
- Solid Waste Authority of Palm Beach Co.
- Dade Recycling
- Florida Public Utilities
- Office Depot
- Sawgrass Nature Center
- Florida Fish & Wildlife/Project WILD
- Palm Beach County Beekeepers
- And many more!
