

## **“Got Books?: Summer Books for Children”**

As part of *Celebrate Literacy Week, Florida! 2012*, the Department of K-12 Curriculum is hosting a fundraiser entitled “Got Books?: Summer Books for Children.”

In an effort to combat summer reading loss among elementary school students, the K-5 Reading Team has arranged a partnership with Palm Beach County Barnes and Noble bookstores. Barnes and Noble will donate a percentage of customer-designated sales throughout the weekend of January 28-29, 2012 made in all of the Palm Beach County Barnes and Noble locations. *Customers wishing to support this project must specify this fundraiser when making purchases.* Funds will be used to provide books for summer reading to elementary school students at selected high-needs schools throughout our district. In addition, guest readers are being invited to read aloud in each of the stores from 2-4pm on Saturday January 28, 2012.
