Pleasant City Elementary		284	74%	96%	280	73%	96%	278	72%	96%

Notes:

Some students in these SACs who were not admitted to Northboro Elementary through the choice lottery are attending Northmore or Pleasant City Elementary Schools.

Based upon the anticipated new choice admission procedures, students who reside within these SACs will have additional chances in the lottery to attend Northboro Elementary.

Enrollment at Northmore and Pleasant City may be slightly lower due to the changes.
