SUBJECT: HOW TO RAISE MONEY FOR YOUR SCHOOL... AND AVOID COMMON PITFALLS

We are pleased to announce the availability of a new website designed to help you avoid common pitfalls associated with school fundraising efforts.

The new website, "How to Raise Money for Your School...and Avoid Common Pitfalls," can be found at www.palmbeachschools.org/planning/HowToRaiseMoney/Index.asp. The website was created as a clearinghouse for critical information including governance policies, frequently asked questions, contact persons, and sharing of ideas. This effort was a collaboration of multiple departments from both the academic and operational areas of the District.

This site is a work in progress. We encourage you to visit this site and provide feedback, as we are continually seeking ways to improve our services to school centers.
