## **10C-58T - INSTRUCTIONS TO BIDDERS**

The General Conditions for Bids, Instructions to Bidders, Special Conditions, Specifications, Addenda, and/or any other pertinent documents form a part of the Invitation to Bid, and by reference are made a part thereof.

1. **PURPOSE:** It is the purpose and intent of this invitation to secure bids for item(s) and/or services as listed herein for The School Board of Palm Beach County, Florida (hereinafter referred to as the "Board"), the corporate body politic that governs, operates, controls, and supervises the School District of Palm Beach County, Florida (hereinafter referred to as "District").
2. **ANTI-COLLUSION:** By electronically submitting a bid, the bidder certifies that it has not divulged, discussed or compared its bid with other bidders and has not colluded with any other bidder or parties to a bid whatsoever. No premiums, rebates or gratuities are permitted either with, prior to, or after any delivery of materials. Any such violation will result in the cancellation and/or return of materials (as applicable) and the removal of the bidder from all bid lists for the School Board of Palm Beach County, Florida.
3. **ANTI-DISCRIMINATION:**
  - a. The bidder certifies that they are in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375 relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin. The provisions of the ADA Act of 1990 pertaining to employment shall also be applicable.
  - b. The bidder shall not discriminate on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age or disability in the solicitation, selection, hiring, or treatment of sub-contractors, vendors, suppliers, or commercial customers. Bidder shall provide equal opportunity for sub-contractors to participate in all of its public sector and private sector sub-contracting opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace, such as those specified in the Palm Beach County School Board Policy 6.143. Bidder understands and agrees that violation of this clause is a material breach of the contract and may result in contract determination, debarment, or other sanctions.
4. **BIDS:** Bids will be received electronically through a secure mailbox at BidSync, Inc. until the date and time as indicated in this bid document. Bids will be opened publicly at the School District of Palm Beach County, Purchasing Department, 3300 Forest Hill Boulevard, Suite A-323, West Palm Beach, FL 33406-5813, and all bidders and general public are invited to attend. It is the sole responsibility of the bidder to ensure its bid reaches BidSync on or before the closing date and hour as indicated in this bid document.
5. **CONTRACT:** The submission of your bid constitutes a firm offer by the bidder. Upon acceptance by the Board, the Purchasing Department will issue a notice of award and purchase order(s) for any supplies, equipment and/or services as a result of this bid. The Invitation to Bid and the corresponding purchase order(s) will constitute the complete agreement between the successful bidder and the Board. Unless otherwise stipulated in

the bid documents or agreed to in writing by both parties, no other contract documents shall be issued or accepted.

6. **WITHDRAWAL:** When a bidder wishes to withdraw a bid, a written request shall be submitted to the Director of Purchasing and the request will be reviewed for consideration. In no case shall a bidder be granted a release from a bid more than one time in a two-year period. A bidder may not withdraw a bid after the final call for bids at a designated time of opening.
7. **DEFAULT:** In case of default by the bidder, the Board may procure the articles or services from other sources and hold the bidder responsible for any excess costs incurred thereby.
8. **FUNDING OUT/ CANCELLATION OR TERMINATION WITH OR WITHOUT CAUSE:**

A. With Cause: In the event any of the provisions of the Contract are violated by the bidder, the Superintendent or designee shall give written notice to the bidder stating the deficiencies and unless the deficiencies are corrected within ten days, recommendation will be made to the Board or its designee for immediate cancellation. Upon cancellation hereunder the Board may pursue any and all legal remedies as provided herein and by law. In the event that it is subsequently determined that a cancellation under this paragraph was incorrect, the termination shall be converted to a termination for convenience pursuant to the next paragraph.

B. Without Cause: The Board or its designee reserves the right to terminate any contract resulting from this Invitation to Bid at any time and for no reason whatsoever, upon giving 30 days prior written notice to the bidder. If the Contract should be terminated for convenience as provided herein, the Board shall be relieved of all obligations under said Contract. The Board or its designee shall only be required to pay to the successful bidder that amount of the Contract actually performed to the date of termination.

C. Funding Out: Florida School Laws prohibit the Board or its designee from creating obligations on anticipation of budgeted revenues from one fiscal year to another without year-to-year extension provisions in the contracts.

It is necessary that fiscal funding out provisions be included in all bids in which the terms are for periods of longer than one year.

Therefore, the following funding out provisions are an integral part of this Invitation to Bid and must be agreed to by all bidders:

The Board or its designee may, during the contract period, terminate or discontinue the items covered in this bid for lack of appropriated funds upon the same terms and conditions.

Such prior written notice will state:

1. That the lack of appropriated funds is the reason for termination, and
2. Board agrees not to replace the equipment or services being terminated with equipment and services with functions similar to those performed by

the equipment covered in this bid from another vendor in the succeeding funding period.

**“This written notification will thereafter release the School Board of Palm Beach County, Florida of all further obligations in any way related to such equipment covered herein”.**
