The General Conditions for Bids, Instructions to Bidders, Special Conditions, Specifications, Addenda, and/or any other pertinent documents form a part of the Invitation to Bid, and by reference are made a part thereof.

1. **PURPOSE:** It is the purpose and intent of this invitation to secure bids for item(s) and/or services as listed herein for The School Board of Palm Beach County, Florida (hereinafter referred to as the "Board"), the corporate body politic that governs, operates, controls, and supervises the School District of Palm Beach County, Florida (hereinafter referred to as "District").
2. **ANTI-COLLUSION:** By electronically submitting a bid, the bidder certifies that it has not divulged, discussed or compared its bid with other bidders and has not colluded with any other bidder or parties to a bid whatsoever. No premiums, rebates or gratuities are permitted either with, prior to, or after any delivery of materials. Any such violation will result in the cancellation and/or return of materials (as applicable) and the removal of the bidder from all bid lists for the School Board of Palm Beach County, Florida.
3. **ANTI-DISCRIMINATION:**
 - a. The bidder certifies that they are in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375 relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin. The provisions of the ADA Act of 1990 pertaining to employment shall also be applicable.
 - b. The bidder shall not discriminate on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age or disability in the solicitation, selection, hiring, or treatment of sub-contractors, vendors, suppliers, or commercial customers. Bidder shall provide equal opportunity for sub-contractors to participate in all of its public sector and private sector sub-contracting opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace, such as those specified in the Palm Beach County School Board Policy 6.143. Bidder understands and agrees that violation of this clause is a material breach of the contract and may result in contract determination, debarment, or other sanctions.
4. **BIDS:** Bids will be received electronically through a secure mailbox at BidSync, Inc. until the date and time as indicated in this bid document. Bids will be opened publicly at the School District of Palm Beach County, Purchasing Department, 3300 Forest Hill Boulevard, Suite A-323, West Palm Beach, FL 33406-5813, and all bidders and general public are invited to attend. It is the sole responsibility of the bidder to ensure its bid reaches BidSync on or before the closing date and hour as indicated in this bid document.
5. **CONTRACT:** The submission of your bid constitutes a firm offer by the bidder. Upon acceptance by the Board, the Purchasing Department will issue a notice of award and purchase order(s) for any supplies, equipment and/or services as a result of this bid. The Invitation to Bid and the corresponding purchase order(s) will constitute the complete agreement between the successful bidder and the Board. Unless otherwise stipulated in

the bid documents or agreed to in writing by both parties, no other contract documents shall be issued or accepted.

6. **WITHDRAWAL:** When a bidder wishes to withdraw a bid, a written request shall be submitted to the Director of Purchasing and the request will be reviewed for consideration. In no case shall a bidder be granted a release from a bid more than one time in a two-year period. A bidder may not withdraw a bid after the final call for bids at a designated time of opening.
7. **DEFAULT:** In case of default by the bidder, the Board may procure the articles or services from other sources and hold the bidder responsible for any excess costs incurred thereby.
8. **FUNDING OUT/ CANCELLATION OR TERMINATION WITH OR WITHOUT CAUSE:**

A. With Cause: In the event any of the provisions of the Contract are violated by the bidder, the Superintendent or designee shall give written notice to the bidder stating the deficiencies and unless the deficiencies are corrected within ten days, recommendation will be made to the Board or its designee for immediate cancellation. Upon cancellation hereunder the Board may pursue any and all legal remedies as provided herein and by law. In the event that it is subsequently determined that a cancellation under this paragraph was incorrect, the termination shall be converted to a termination for convenience pursuant to the next paragraph.

B. Without Cause: The Board or its designee reserves the right to terminate any contract resulting from this Invitation to Bid at any time and for no reason whatsoever, upon giving 30 days prior written notice to the bidder. If the Contract should be terminated for convenience as provided herein, the Board shall be relieved of all obligations under said Contract. The Board or its designee shall only be required to pay to the successful bidder that amount of the Contract actually performed to the date of termination.

C. Funding Out: Florida School Laws prohibit the Board or its designee from creating obligations on anticipation of budgeted revenues from one fiscal year to another without year-to-year extension provisions in the contracts.

It is necessary that fiscal funding out provisions be included in all bids in which the terms are for periods of longer than one year.

Therefore, the following funding out provisions are an integral part of this Invitation to Bid and must be agreed to by all bidders:

The Board or its designee may, during the contract period, terminate or discontinue the items covered in this bid for lack of appropriated funds upon the same terms and conditions.

Such prior written notice will state:

1. That the lack of appropriated funds is the reason for termination, and
2. Board agrees not to replace the equipment or services being terminated with equipment and services with functions similar to those performed by

the equipment covered in this bid from another vendor in the succeeding funding period.

“This written notification will thereafter release the School Board of Palm Beach County, Florida of all further obligations in any way related to such equipment covered herein”.

9. **BIDDERS RESPONSIBILITY:** Before submitting its bid, each bidder is required to carefully examine the Invitation to Bid delivery schedule, bid prices and extensions, insurance requirements, licensing requirements, bid closing date and time and to completely familiarize itself with all of the terms and conditions that are contained within the Invitation to Bid. Failure to do so on the part of the bidder will in no way relieve it of any of the obligations and responsibilities which are a part of the Invitation to Bid.

Bidder warrants by virtue of bidding that prices shall remain firm for a period of ninety (90) days from the date of award by the Board or time stated in special conditions.

10. **AWARDS:** In the best interest of the District, the Purchasing Department reserves the right to reject any and all bids and to waive any minor irregularity in bids received; to accept any item or group of items unless qualified by bidder; to acquire additional quantities at prices quoted on the Invitation to Bid unless additional quantities are not acceptable, in which case the bid sheets must be noted "BID IS FOR SPECIFIED QUANTITY ONLY". All awards made as a result of this bid shall conform to applicable Florida Statutes.

11. **THE JESSICA LUNSFORD ACT:** All awarded bidders who are permitted access on school grounds when students are present, who may have direct contact with any student of the District, or who may have access to or control of school funds must be fingerprinted and background checked. Awarded bidder agrees to undergo a background check and fingerprinting if he/she is an individual who meets any of the above conditions and to require that all individuals in the organization who meet any of the conditions to submit to a Level 2 FDLE background check and FBI screening, including fingerprinting by the School District's Police Department, at the sole cost of Awarded bidder. The report of the results will be immediately transmitted to the School District's Police Department, which shall be the sole determiner of clearance. Awarded bidder shall not begin providing services contemplated by the Invitation to Bid until Awarded bidder receives notice of clearance by the School District and is issued School District badges. Compliance requiring all awarded bidders to register as a visitor before entering school property and proper display of School District badges will be strictly enforced. Neither the Board, nor its members, officers, employees, or agents, shall be liable under any legal theory for any kind of claim whatsoever for the rejection of Awarded bidder (or discontinuation of Awarded bidder's services) on the basis of these compliance obligations. Awarded bidder agrees that neither the Awarded bidder, nor any employee, agent or representative of the Awarded bidder who has been convicted or who is currently under investigation for a crime delineated in section 435.04, Florida Statutes, will be employed in the performance of the contract.

The District's acceptance or failure to reject the affected product as non-conforming shall not in any way impact, negate, or diminish the awarded bidder's duty to notify the District's Purchasing Agent that the affected product has been recalled, seized or embargoed, and/or has been determined to be misbranded, adulterated, or found to be unfit for human consumption. The form and content of such notice to the District shall include the name and description of the affected product; the approximate date the affected product was delivered to the District; the bid number; and relevant information relating to the proper handling of the affected product and/or proper disposition of the affected product by the District, if necessary to protect the health, welfare, and safety of District students or employees; and any health hazards known to the awarded bidder which may be caused or created by the affected product. At the option of the District, the awarded vendor may be required to reimburse storage and/or handling fees to be calculated from time of delivery and acceptance to actual removal or disposal. The awarded vendor will bear all costs associated with the removal and proper disposal of the affected product. The failure to reimburse the purchase price and storage and/or handling fees or to remove and/or replace the affected product with an equivalent replacement within a reasonable time without significant inconvenience to the District will be considered a default.

11C-3K GENERAL CONDITIONS FOR BIDS

1. **USE OF OTHER CONTRACTS:** The District reserves the right to utilize any other District contract, any State of Florida Contract, any contract awarded by any other city or county governmental agencies, any other school board, any other community college/state university system cooperative bid agreement, or to directly negotiate/purchase per School Board policy and/or State Board Rule 6A-1.012(6) in lieu of any offer received or award made as a result of this bid, if it is in the best interest to do so. The District also reserves the right to separately bid any single order or to purchase any item on this bid if it is in its best interest to do so.
2. **JOINT-BIDDING, COOPERATIVE PURCHASING AGREEMENT:** All bidders submitting a response to this Invitation to Bid agree that such response also constitutes a bid to all State Agencies and Political Subdivisions of the State of Florida under the same conditions, for the same prices and for the same effective period as this bid, should the bidder(s) deem it in the best interest of their business to do so.

This agreement in no way restricts or interferes with any state agency or political subdivision of the State of Florida to rebid any or all items.

3. **FAILURE TO DELIVER:** Failure to deliver as specified and at bid price will authorize the Board to purchase these items or services from other sources and hold the bidder responsible for any excess costs incurred thereby. Further, the Purchasing Department may recommend to the School Board that the vendor failing to deliver as specified be removed as a future bidder on all bids for a period of up to three years.
4. **MINORITY BUSINESS PARTICIPATION:** The School Board of Palm Beach County strongly encourages the use of Minority/Woman owned business enterprises for participation as partners, joint-venturers, prime contractor, subcontractors, and in contracting opportunities. Inquiries regarding listings of District and State Certified Minority and Women can be made to the School District of Palm Beach County's Office of Diversity in Business Practices, 3300 Forest Hill Boulevard, Suite A-106, West Palm Beach, FL 33406, (561) 434-8508 or on our web site at <http://www.palmbeachschools.org/mwbe/> .

Bidders who list minority subcontractors as participants in their bids will complete the M/WBE SUBCONTRACTOR PARTICIPATION LETTER OF INTENT (FORM 1525) and M/WBE SUBCONTRACTOR PARTICIPATION SUMMARY (FORM 1526). The summary (FORM 1526) will be submitted with all requests for payment.

The District only recognizes as acceptable for certification as minority/woman business enterprises those firms, vendors, and consultants that have successfully completed the certification requirements of the State of Florida Office of Supplier Diversity or the School District of Palm Beach County's Office of Diversity in Business Practices. The letter or certificate will only be deemed valid if the dates for certification have not expired. Any pending application with the District or the State of Florida Office of Supplier Diversity shall not be considered as certification of the vendor making application for consideration as a M/WBE firm.

In order to receive consideration for M/WBE participation, the bidder or firm(s) to be utilized by the bidder must be certified by the District or the State of Florida at the time that the bid is opened.

The District does not currently by implication or direct means have reciprocity with any governmental or non-governmental entity, with the exception of the State of Florida Office of Supplier Diversity for the purpose of sharing and/or acceptance of M/WBE vendors, consultants, for certification. The District does not recognize any other certifications.

Graduation (as described in School Board of Palm Beach County Policy 6.143) from the School District M/WBE Certification shall void certification by the State of Florida. Certification shall be verified and point award shall be determined by the Office of Diversity in Business Practices.

5. **CONTRACTOR BID REQUIREMENTS:** As part of its bid, bidder shall provide to the District a list of all instances within the past ten years where a complaint was filed or pending against bidder in a legal or administrative proceeding alleging that bidder discriminated on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age, or disability against its subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of each such complaint, including any remedial action taken.
6. **CONTRACT DISCLOSURE:** Upon the District's request, and upon the filing of a complaint against awarded bidder pursuant to Palm Beach County School Board Policy 6.144, awarded bidder agrees to provide the District, within sixty calendar days, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that bidder has used in the past five years on any of its contracts that were undertaken within the District relevant geographic market as defined in Palm Beach County School Board Policy 6.143, including the total dollar amount paid by bidder for each subcontract or supply contract. Awarded bidder agrees to fully cooperate in any investigation conducted by the District pursuant to this Policy. Bidder understands and agrees that violation of this clause is a material breach of the Contract and may result in contract termination, debarment, and other sanctions.
7. **INDEMNIFICATION / HOLD HARMLESS AGREEMENT:** Awarded bidders/bidders shall, in addition to any other obligation to indemnify The School Board of Palm Beach County, Florida and to the fullest extent permitted by law, protect, defend, indemnify and hold harmless the Board, its agents, officers, elected officials and employees from and against all claims, actions, liabilities, losses (including economic losses), costs arising out of any actual or alleged;
 - A. bodily injury, sickness, disease or death, or injury to or destruction of tangible property including the loss of use resulting therefrom, or any other damage or loss arising out of, or claimed to have resulted in whole or in part from any actual or alleged act or omission of the contractor, subcontractor, anyone directly or indirectly employed by any of them, of anyone for whose acts any of them may be liable in the performance of the work; or
 - B. violation of law, statute, ordinance, governmental administration order, rule or regulation by contractor in the performance of the work; or

- C. liens, claims or actions made by the contractor or any subcontractor or other party performing the work.

The indemnification obligations hereunder shall not be limited to any limitation on the amount, type of damages, compensation or benefits payable by or for the contractor of any subcontractor under workers' compensation acts; disability benefit acts, other employee benefit acts or any statutory bar.

This article will survive the termination of the Contract.

8. **BRAND NAMES:** Use of a brand name, trade name, make, model, manufacturer, or vendor catalog number in specifications is for the purpose of establishing a grade or quality of material only. It is not the District's intent to rule out other competition, therefore, the phrase OR ACCEPTABLE EQUAL is added. However, if a product other than that specified is bid, it is the vendor's responsibility to submit with the bid brochures, samples and/or detailed specifications on items bid. The District shall be the sole judge concerning the merits of bid submitted.

Bidder shall indicate on the bid form the manufacturer's name and number if bidding other than the specified brands, and shall indicate ANY deviation from the specifications as listed. Other than specified items offered requires complete descriptive technical literature marked to indicate detail(s) conformance with specific COPYRIGHTS OR PATENT RIGHTS: Bidder warrants that there has been no violation of copyrights or patent rights in manufacturing, producing or selling the goods shipped or ordered as a result of this bid.
