This exemption does not apply to purchase of tangible personal property made by contractors who use the tangible personal property in the performance of contracts for the improvements of School District-owned real property as defined in Chapter 192, Florida Statutes.
18. **ASSIGNMENT:** The successful bidder shall not sub-contract, assign, transfer, convey, sublet, or otherwise dispose of the contract, or of any or all of its rights, title, or interest therein, or its power to execute such contract to any person, firm, or corporation without prior written consent of the Board.
19. **SUBCONTRACTING:** If an awarded bidder intends to subcontract any portion of the Contract for any reason, the name and address of the subcontracting firm must be submitted along with the bidder's bid or prior to use for approval. No subcontracting will take place prior to bid-awarded bidder furnishing this information and receiving written approval from the District.

The Purchasing Department reserves the right to reject a subcontractor who previously failed in the proper performance of a contract or failed to deliver on-time contracts of a similar nature, or who, the District has determined in its sole discretion, is not in the position to perform the contract due to the subcontractor's size, experience, or resources. The District reserves the right to inspect all facilities of any subcontractor in order to make determination as to the foregoing. The subcontractor will be equally responsible for meeting all requirements specified in the Invitation to Bid.
20. **DEBARMENT:** The Board shall have the authority to debar a person / corporation for cause for consideration or award of future contracts. If any employee of an independent contractor or sub-contractor is found to have brought a firearm on District property, said employee must be terminated from the Board project by the independent contractor or sub-contractor. If the sub-contractor fails to terminate said employee, the sub-contractor's agreement with the independent contractor for the Board project shall be terminated. 22. **PRODUCT RECALL:** In the event the awarded awarded bidder receives notice that a product delivered by the awarded bidder to the District has been recalled, seized or embargoed, and/or has been determined to be misbranded, adulterated, or found to be unfit for human consumption by a packer, processor, subcontractor, retailer, manufacturer, or by any State or Federal regulatory agency, the awarded bidder shall notify the District's Bid Purchasing Agent within two business days of receiving such notice. The District's acceptance or failure to reject the affected product as non-conforming shall not in any way impact, negate, or diminish the awarded bidder's duty to notify the District's Purchasing Agent that the affected product has been recalled, seized or embargoed, and/or has been determined to be misbranded, adulterated, or found to be unfit for human consumption. The form and content of such notice to the District shall include the name and description of the affected product; the approximate date the affected product was delivered to the District; the bid number; and relevant information relating to the proper handling of the affected product and/or proper disposition of the affected product by the District, if necessary to protect the health, welfare, and safety of District students or employees; and any health hazards known to the awarded bidder which may be caused or created by the affected product. The awarded bidder shall, at the option of the Purchasing Department and/or Purchasing Agent, either reimburse the purchase price or provide an equivalent replacement product at no additional cost to the District. Unless it was absolutely necessary for the District to dispose of the affected product, the awarded bidder shall be responsible for removal and/or replacement of the affected product within a reasonable time, as determined by the District, without causing significant inconvenience to the District.

At the option of the District, the awarded vendor may be required to reimburse storage and/or handling fees to be calculated from time of delivery and acceptance to actual removal or disposal. The awarded vendor will bear all costs associated with the removal and proper disposal of the affected product. The failure to reimburse the purchase price and storage and/or handling fees or to remove and/or replace the affected product with an equivalent replacement within a reasonable time without significant inconvenience to the District will be considered a default.

GENERAL CONDITIONS FOR BIDS

1. **USE OF OTHER CONTRACTS:** The District reserves the right to utilize any other District contract, any State of Florida Contract, any contract awarded by any other city or county governmental agencies, any other school board, any other community college/state university system cooperative bid agreement, or to directly negotiate/purchase per School Board policy and/or State Board Rule 6A-1.012(6) in lieu of any offer received or award made as a result of this bid, if it is in the best interest to do so. The District also reserves the right to separately bid any single order or to purchase any item on this bid if it is in its best interest to do so.
2. **JOINT-BIDDING, COOPERATIVE PURCHASING AGREEMENT:** All bidders submitting a response to this Invitation to Bid agree that such response also constitutes a bid to all State Agencies and Political Subdivisions of the State of Florida under the same conditions, for the same prices and for the same effective period as this bid, should the bidder(s) deem it in the best interest of their business to do so.

This agreement in no way restricts or interferes with any state agency or political subdivision of the State of Florida to rebid any or all items.

3. **FAILURE TO DELIVER:** Failure to deliver as specified and at bid price will authorize the Board to purchase these items or services from other sources and hold the bidder responsible for any excess costs incurred thereby. Further, the Purchasing Department may recommend to the School Board that the vendor failing to deliver as specified be removed as a future bidder on all bids for a period of up to three years.
4. **MINORITY BUSINESS PARTICIPATION:** The School Board of Palm Beach County strongly encourages the use of Minority/Woman owned business enterprises for participation as partners, joint-venturers, prime contractor, subcontractors, and in contracting opportunities. Inquiries regarding listings of District and State Certified Minority and Women can be made to the School District of Palm Beach County's Office of Diversity in Business Practices, 3300 Forest Hill Boulevard, Suite A-106, West Palm Beach, FL 33406, (561) 434-8508 or on our web site at <http://www.palmbeachschools.org/mwbe/> .

Bidders who list minority subcontractors as participants in their bids will complete the M/WBE SUBCONTRACTOR PARTICIPATION LETTER OF INTENT (FORM 1525) and M/WBE SUBCONTRACTOR PARTICIPATION SUMMARY (FORM 1526). The summary (FORM 1526) will be submitted with all requests for payment.

The District only recognizes as acceptable for certification as minority/woman business enterprises those firms, vendors, and consultants that have successfully completed the certification requirements of the State of Florida Office of Supplier Diversity or the School District of Palm Beach County's Office of Diversity in Business Practices. The letter or certificate will only be deemed valid if the dates for certification have not expired. Any pending application with the District or the State of Florida Office of Supplier Diversity shall not be considered as certification of the vendor making application for consideration as a M/WBE firm.

In order to receive consideration for M/WBE participation, the bidder or firm(s) to be utilized by the bidder must be certified by the District or the State of Florida at the time that the bid is opened.

The District does not currently by implication or direct means have reciprocity with any governmental or non-governmental entity, with the exception of the State of Florida Office of Supplier Diversity for the purpose of sharing and/or acceptance of M/WBE vendors, consultants, for certification. The District does not recognize any other certifications.

Graduation (as described in School Board of Palm Beach County Policy 6.143) from the School District M/WBE Certification shall void certification by the State of Florida. Certification shall be verified and point award shall be determined by the Office of Diversity in Business Practices.

5. **CONTRACTOR BID REQUIREMENTS:** As part of its bid, bidder shall provide to the District a list of all instances within the past ten years where a complaint was filed or pending against bidder in a legal or administrative proceeding alleging that bidder discriminated on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age, or disability against its subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of each such complaint, including any remedial action taken.
6. **CONTRACT DISCLOSURE:** Upon the District's request, and upon the filing of a complaint against awarded bidder pursuant to Palm Beach County School Board Policy 6.144, awarded bidder agrees to provide the District, within sixty calendar days, a truthful and complete list of the names of all subcontractors, vendors, and suppliers that bidder has used in the past five years on any of its contracts that were undertaken within the District relevant geographic market as defined in Palm Beach County School Board Policy 6.143, including the total dollar amount paid by bidder for each subcontract or supply contract. Awarded bidder agrees to fully cooperate in any investigation conducted by the District pursuant to this Policy. Bidder understands and agrees that violation of this clause is a material breach of the Contract and may result in contract termination, debarment, and other sanctions.
7. **INDEMNIFICATION / HOLD HARMLESS AGREEMENT:** Awarded bidders/bidders shall, in addition to any other obligation to indemnify The School Board of Palm Beach County, Florida and to the fullest extent permitted by law, protect, defend, indemnify and hold harmless the Board, its agents, officers, elected officials and employees from and against all claims, actions, liabilities, losses (including economic losses), costs arising out of any actual or alleged;
 - A. bodily injury, sickness, disease or death, or injury to or destruction of tangible property including the loss of use resulting therefrom, or any other damage or loss arising out of, or claimed to have resulted in whole or in part from any actual or alleged act or omission of the contractor, subcontractor, anyone directly or indirectly employed by any of them, of anyone for whose acts any of them may be liable in the performance of the work; or
 - B. violation of law, statute, ordinance, governmental administration order, rule or regulation by contractor in the performance of the work; or
 - C. liens, claims or actions made by the contractor or any subcontractor or other party performing the work.

The indemnification obligations hereunder shall not be limited to any limitation on the amount, type of damages, compensation or benefits payable by or for the contractor of any subcontractor under workers' compensation acts; disability benefit acts, other employee benefit acts or any statutory bar.

This article will survive the termination of the Contract.

8. **BRAND NAMES:** Use of a brand name, trade name, make, model, manufacturer, or vendor catalog number in specifications is for the purpose of establishing a grade or quality of material only. It is not the District's intent to rule out other competition, therefore, the phrase OR ACCEPTABLE EQUAL is added. However, if a product other than that specified is bid, it is the vendor's responsibility to submit with the bid brochures, samples and/or detailed specifications on items bid. The District shall be the sole judge concerning the merits of bid submitted.

Bidder shall indicate on the bid form the manufacturer's name and number if bidding other than the specified brands, and shall indicate ANY deviation from the specifications as listed. Other than specified items offered requires complete descriptive technical literature marked to indicate detail(s) conformance with specific COPYRIGHTS OR PATENT RIGHTS: Bidder warrants that there has been no violation of copyrights or patent rights in manufacturing, producing or selling the goods shipped or ordered as a result of this bid. Seller agrees to hold the purchaser harmless from any and all liability, loss or expense occasioned by any such violation.
