Now the Publix Pharmacy makes you feel even better.

The Publix Pharmacy Diabetes Management System

Your Publix Pharmacy is committed to helping you and your loved ones manage both the day-to-day and long-term challenges of diabetes. That's why we're proud to introduce the NEW Publix Pharmacy Diabetes Management System, designed to help you manage your diabetes through several key components, including:

Free Medication

Get your prescriptions for generic immediate-release metformin (500 mg, 850 mg and 1000 mg) FREE, up to a 30-day supply (90 tablets). There's no limit to the number of refills of free medication you can receive.

[Online Resources](#)

Take advantage of up-to-date news and health education information, including interactive diabetes management tools, provided by StayWell Custom Communications. Visit this handy online resource often to learn the latest developments regarding diabetes.

And that's not all!

You can also receive monthly e-newsletters with useful information, including coupons and special offers. Simply click "It's FREE!" at the top right of the StayWell screen.

All this ongoing support can be right at your fingertips. [Sign up today!](#)

By clicking the link above you will leave www.publix.com and enter the StayWell Custom Communications, LLC site that they operate and control. Diabetes Supplies

Your Publix Pharmacy carries a full line of diabetic supplies, including our own high-quality Publix brand products: meters and test strips, insulin syringes, pen needles, and blood glucose tables.

Be sure to talk to your Publix pharmacist about how you can save two ways with our special offer: Get a FREE Publix diabetes meter and save up to \$10 on your co-pay for 100-count test strips! *Test strip offer is not valid for Medicare or Medicaid patients. Customer is responsible for applicable sales tax.*

Plus, it's easy and convenient to have all your diabetic testing supplies delivered right to your home. Just visit publix.com/rxdirect for more information.
