**SUBJECT: 2012 PAT OLIPHANT MEMORIAL STUDENT TECHNOLOGY SERVICE
SCHOLARSHIPS**

The School District of Palm Beach County created the *Pat Oliphant Memorial Student Technology Service Scholarships* to recognize and reward outstanding high school seniors for the service and support they have provided to their schools and communities in the area of technology. These scholarship awards are made possible through proceeds generated by the District's Annual Technology Conference. We are offering these scholarships again this year in the amounts shown below:

First Place	\$3,500
Second Place	\$2,500
Third Place	\$1,500

Each high school has the opportunity to nominate one student for these scholarship awards. The deadline for submission is Friday, February 10, 2012 at 4:00pm. Nomination packets (form PBSB 1977) should be sent to *The Pat Oliphant Memorial Student Technology Service Scholarship Committee (c/o Cliff Crawford), Educational Technology Department, Fulton-Holland Educational Services Center, Suite B-332.*

A committee comprised of school-based and District-level representatives will review the submissions and select the finalists. The finalists will then be invited to interview with the judges during the week of March 5, 2012. All three scholarship winners will be recognized and receive their awards at the May 16, 2012, School Board meeting. Please see the attached nomination form for additional information regarding this scholarship opportunity.
