

Student Scholarship Program

Florida State Horticultural Society

The second **FSHS Student Scholarship Program** is again being made possible by a generous anonymous donor to encourage greater participation by students in horticulture and related fields in the Annual Meeting of the Florida State Horticultural Society. The Society has matched this donation. **Up to ten, \$200 scholarships will be awarded to students attending the Annual Meeting.** Scholarship checks will be awarded during the annual business meeting; awardees must be registered for the meeting and present to receive their scholarship check.

The FSHS Board of Directors will judge the submissions and verify that applicants are **registered in a university horticulture or related program and that the winning applicants register for the Annual Meeting within 2 days of receiving notice of their award.**

Submissions must be sent by email to fshs@crec.ifas.ufl.edu with subject line: **FSHS Student Scholarship Application**.
