Amazing Leadership Development

Scholarship recipients live in a home-like setting with students representing a variety of backgrounds and cultures. Each scholarship house maintains an environment that is drug, alcohol, and smoke free with quiet study hours. Students work in a cooperative partnership to purchase and prepare meals and assume responsibility for all household tasks.

Students do not pay rent, but are responsible for their fair share of the basic household expenses such as food and utilities. Each student contributes approximately \$950 per semester and saves up to an estimated \$10,000 each year in living expenses.
