

Following Winter Diagnostics

March 8, 2011

What is available to guide schools?

Benchmark Assistance Charts created to:

- Identify benchmarks scheduled for instruction prior to or after winter diagnostics
- Identify district concerns regarding low performance on benchmarks previously instructed

Description of this instructional activity

The [11th Grade Science Benchmark Resource Chart](#) references important supplemental resources organized by AA benchmark.

The [11th Grade FCAT Science Reference Sheet - Formula Exercises](#) have 3 practice problems for each FCAT Science formula. A key is provided as well.

[FCAT Rx PowerPoints](#) present each annually assessed benchmark and some content sampled benchmarks.

In the Assessment section, there are Resource Pages with files/links which can be utilized to help with additional Science benchmark review.
