FOCUS: Element 2 - Tracking Student Progress

ACTIVITY: Reflection on Tracking Progress

DIRECTIONS: In this activity you will review and reflect on the manner in which you currently track student progress in your classroom. Use the following guiding questions to reflect upon the manner in which you currently track student progress.

1. What method of progress monitoring is currently in place?

2. How is feedback used in response to the progress monitoring?

3. What role do you give students in tracking their own progress?
