Positive Behavior Support (PBS) is an evidence-based approach, which aims to enhance the Quality of Life and minimize individuals' problematic behavior (Carr, et al. 2002). To achieve that, PBS focuses on the development of individuals' positive behaviors (behaviors that are associated with academic, health, social, recreational, community and family achievement).

Our mission is to encourage and support a positive, safe and inclusive school environment where all students can thrive socially, emotionally and academically. We do this by sponsoring and funding programs, recruiting and mentoring volunteers, and working in collaboration with our staff, families and greater community.

What is the PTA (Parent Teacher Association)

PTA Executive Board

The Blue Lake Elementary PTA will have an Executive Board. This Executive Board is an elected body of parents that coordinate the PTA functions with help from various committees and committee chairs. The Executive Board includes a:

President, Treasurer, VP of Fundraising, VP of Membership, VP of Programs, and a Secretary.

The PTA Executive Board recruits membership in the PTA, oversees various committees and fundraising in an official capacity, makes decisions about disbursement of PTA funds, responds to teacher and staff requests for PTA assistance and communicates PTA actions to the Blue Lake community.
