1. Communicate daily with your teacher
   The most important thing that you can do right now is make sure that you are in daily communication with each of your teachers. Always be sure to ask questions and seek out help whenever needed.

2. Be aware of the flexible learning options
   Google Classroom is your go-to spot to find assignments and interact with teachers, but other resources are available too:
   - Lessons and resources are available at palmbeachschools.org/distancelearning
   - Televised lessons on palmbeachschools.org, Comcast 235, AT&T 99 and 12.2

3. Treat your Google Meet code like a private password
   Do not share your specific Google Meet codes with anyone.

4. Code of Conduct policy applies for distance learning
   All school rules still apply and will be strictly enforced.
