

GOOGLE MEET

Continue to Connect with Hangouts Meet

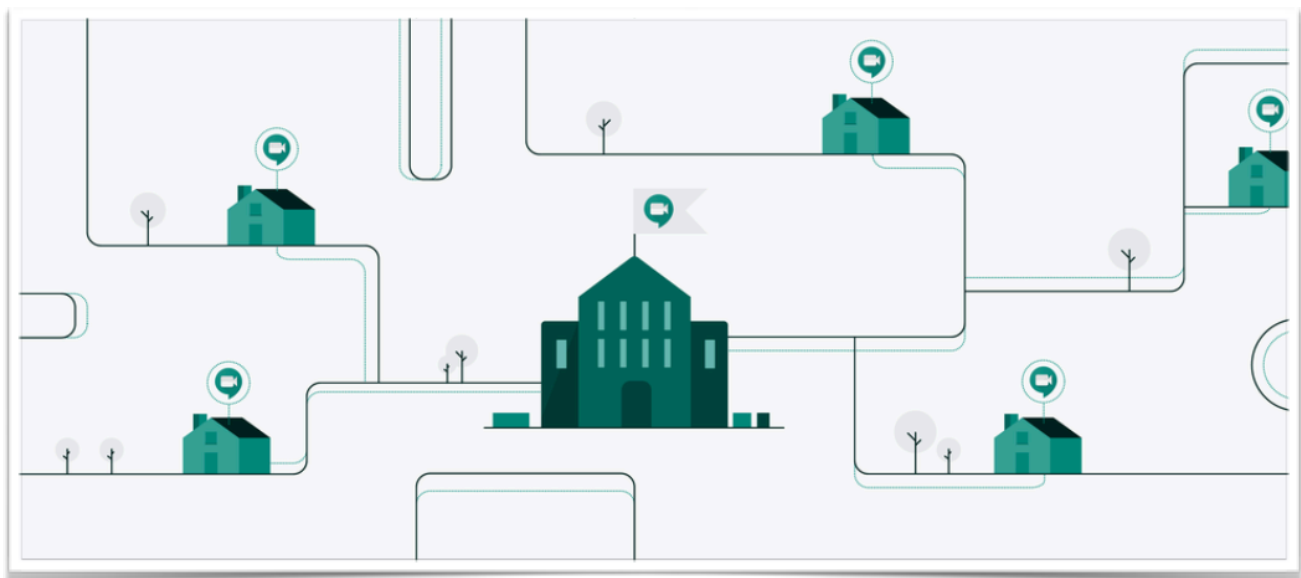

What is Google Meet?

Google Meet is a messaging, voice, and video chat application. It allows teachers to record lessons and share them with students, host virtual classes and much more.

Please visit: <https://sites.google.com/palmbeachschools.org/sdpbc-distance-learning/digital-tools> for more Google Meet resources.

What are the benefits for students and teachers using Google Meet?

- ▶ Easy setup and join options
- ▶ Allows teachers to record lessons that students can view when it is convenient for them and as often as they need
- ▶ Enhanced communication and collaboration via live lessons
- ▶ Works with the Google apps you use everyday
- ▶ Available on multiple devices and platforms
- ▶ Free and secure
- ▶ Allows teachers and students to connect inside and outside of school

Google Meet is a great tool that allows learning to continue virtually outside of the classroom walls!
