\*Required amount of testing time is approximate and includes State and District mandated assessments. Testing time does not include: special programs (ELL, SWD); programs students elect to participate in (AP, IB, AICE, Dual Enrollment, IC); optional programs schools may choose to implement; and assessments specific to students who may need to take/retake a test to satisfy a graduation or promotion requirement.

<sup>3</sup> PBT assessments must be scheduled on the same dates across the district. District-wide start dates will be included in future communication.

<sup>4</sup> Requests to administer CBT assessments prior to this date must be cleared with the Department of Assessment. PBT accommodated materials for CBT administrations are returned earlier for scoring. Dates are to be determined.
