Boca Raton, FL 33433

Verde's Choice Middle School has a rigorous educational program to help students prepare for high school through the Cambridge International Program.

What to Expect

- Receive excellent preparation for rigorous coursework at the high school level
- Develop skills necessary for success in Cambridge PRE- AICE and Advanced Placement classes
- Develop critical technology skills and opportunities for coding certifications through Computer Science courses

All students MUST apply and be admitted through the Department of Choice Options at

<https://mypbchoiceapp.com>

If you have any questions regarding the choice process, please reach out to choicequestions@palmbeachschools.org
