## 2023-2024 Dual Enrollment Course-High School Subject Area Equivalency List

The purpose of the Dual Enrollment Course-High School Subject Area Equivalency Lists, authorized by section (s.) 1007.271(9), Florida Statutes (F.S.), is to establish equivalencies between postsecondary courses and credits completed through dual enrollment courses toward meeting high school graduation requirements.

This list should not be interpreted as a complete list of the dual enrollment courses available. Current law allows for any course in the Statewide Course Numbering System (SCNS) to be offered as dual enrollment, with the exception of remedial courses and Physical Education skills-based courses. Physical Education courses that can be offered for dual enrollment are limited to those that satisfy the personal fitness requirement. Three credit (or equivalent) postsecondary courses taken through dual enrollment that are not listed on this list shall be awarded at least 0.5 high school credits either as an elective or subject area credit as determined by the local school district.

Course titles listed are the titles as found in the SCNS; individual postsecondary institutions may utilize alternative course titles.

Courses indicated as Postsecondary General Education Core Subject Area courses (GE Core), may also be applied to the General Education Core requirements for an undergraduate degree from a public postsecondary institution in Florida. Students should check with their postsecondary institution regarding these requirements. Students should also note that recent legislation resulted in changes to the state GE Core requirements. Beginning with students entering a Florida College System or State University System institution in the 2024-25 academic year and thereafter, MGF X106 Liberal Arts Mathematics I and MGF X107 Liberal Arts Mathematics II will no longer be included in the state GE Core course options in the mathematics subject area to satisfy GE Core requirements. These courses will be replaced by MGF X130 Mathematical Thinking in the GE Core course options beginning in 2024-25. Public and private postsecondary institutions, school districts, private schools, and families are encouraged to review dual enrollment course information, including course syllabi, prior to approving students to enroll in dual enrollment courses.

## English

Courses listed in this section shall be considered English coursework for the purposes of high school graduation requirements.

Courses with AML, ENC, ENL and LIT prefixes that require ENC X101 as a prerequisite as identified in the SCNS shall award 1.0 high school English credit. Other courses within these prefixes and others may be awarded English credit based on district review and policy.

| Course Number |  | Course Title | H.S. <br> Credit | GE Core Subject <br> Area |
| :---: | :---: | :--- | :---: | :---: |
| AML | X | 010 | Colonial to The Civil War/Reconstruction | 1.0 |
| AML | X | 011 | Colonial to 1875 | 1.0 |
| Course Number | Course Title | H.S. <br> Credit | GE Core Subject <br> Area |  |

| AML | X | 020 | Civil War to Present | 1.0 |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| AML | X | 021 | 1875 to Present | 1.0 |  |
| AML | X | 050 | Contemporary American Literature | 1.0 |  |
| AML | X | 060 | Contemporary American Literature | 1.0 |  |
| AML | X | 070 | Survey of American Literature | 0.5 |  |
| AML | X | 301 | Studies in Individual American Authors | 1.0 |  |
| AML | X | 410 | Issues in American Literature and Culture | 0.5 |  |
| AML | X | 600 | Introduction to African American Literature | 0.5 |  |
| ENC | X | 101 | Freshman Composition Skills I (GE Core) | 1.0 | Communication |
| ENC | X | 102 | Freshman Composition Skills II | 1.0 |  |
| ENC | X | 107 | Advanced College Writing | 1.0 |  |
| ENC | X | 122 | Freshman Composition II: Honors | 1.0 |  |
| ENC | X | 133 | Library Research and Writing | 0.5 |  |
| ENC | X | 135 | Argument and Persuasion | 1.0 |  |
| ENC | X | 141 | Writing About Literature | 1.0 |  |
| ENC | X | 145 | Special Topics in Freshman English | 1.0 |  |
| ENC | X | 210 | Technical Writing | 1.0 |  |
| ENC | X | 213 | Technical and Business Writing | 1.0 |  |
| ENC | X | 300 | Intermediate Composition | 1.0 |  |
| ENC | X | 301 | Advanced Composition I | 1.0 |  |
| ENG | X | 012 | Approaches to Literary Criticism | 1.0 |  |
| ENL | X | 000 | British Literature Survey: Comprehension | 1.0 |  |
| ENL | X | 010 | English Literature to 1660 | 1.0 |  |
| ENL | X | 012 | English Literature through 18th Century | 1.0 |  |
| ENL | X | 022 | English Literature since 18th Century | 1.0 |  |
| ENL | X | 230 | Restoration and 18th Century Literature | 1.0 |  |
| ENL | X | 251 | Victorian and Edwardian Literature | 1.0 |  |
| ENL | X | 273 | Modern British Literature | 1.0 |  |
| LIN | X | 670 | English Grammar | 0.5 |  |
| LIT | X | 000 | Introduction to Literature (GE Core) | 1.0 | Humanities |
| LIT | X | 010 | Introduction to Fiction | 1.0 |  |
| LIT | X | 020 | The Short Story | 1.0 |  |
| LIT | X | 030 | Introduction to Poetry | 1.0 |  |
| LIT | X | 081 | Introduction to Modern Literature | 1.0 |  |
| LIT | X | 090 | Introduction to Contemporary Literature | 1.0 |  |
| LIT | X | 100 | Introduction to World Literature | 1.0 |  |
| LIT | X | 110 | World Literature through the Renaissance | 1.0 |  |
| LIT | X | 120 | World Literature Since the Renaissance | 1.0 |  |
| LIT | X | 310 | Science Fiction and Fantasy | 1.0 |  |
| LIT | X | 380 | Introduction to Women in Literature | 1.0 |  |

## World Languages

All four-credit world language courses, including American Sign Language, shall be awarded one full high school elective credit. Courses offered for three credits are awarded at least 0.5 high school elective credit.

| Course Number |  |  | Course Title | H.S. |
| :---: | :---: | :---: | :---: | :---: |
| ARA | X | 120 | Modern Arabic I | 1.0 |

## Physical Education: Personal Fitness

These courses only satisfy the personal fitness requirement; students must still complete another 0.5 credit physical education elective course to complete the 1.0 physical education graduation requirement.

## Courses within the PEL, PEM, PEN, PEO and PEQ prefixes should be evaluated for eligibility.

| Course Number |  | H.S. <br> Credit |  |  |

## Practical Arts

For those career and technical secondary courses that have been identified as satisfying the fine or performing arts high school graduation requirement (s. 1003.4282(3)(e), Florida Statutes), the equivalent postsecondary CTE course may also satisfy that requirement. Each of these courses has been identified by a committee of representatives from Career and Technical Education and Fine Arts as a practical arts course that incorporates artistic content and techniques of creativity, interpretation and imagination.

## Science

High School Graduation Requirement in Science for Students Entering Grade Nine in:
2014-15 or later: 3 credits in Science, one of which must be Biology I (BI), two of which must be equally rigorous (EQ) science courses and two must have a laboratory component.

All dual enrollment science courses should satisfy the equally rigorous requirement; certain courses identified on this list will satisfy the Biology I high school graduation credit. Dual enrollment science courses taken with a corresponding laboratory course will be awarded 1.0 high school science credit. Dual enrollment science courses taken without a laboratory component will be awarded 0.5 high school science credits. Separate lecture and lab courses may not be combined or the grades averaged for
secondary transcript purposes. The lecture and lab courses must be listed separately on the student's secondary transcript with the grade(s) as assigned by the post-secondary institution.
Lecture and Lab courses with different course numbers may be used to fulfill a 1.0 high school credit if the lab course is appropriate to the lecture course as identified by the postsecondary institution.

Biology I: Dual enrollment courses in general biology identified on this list will meet the Biology I high school graduation requirement. However, courses that are a lecture-only format, and are not taken with a corresponding laboratory course, are designated as Equally Rigorous and will be awarded 0.5 high school credit. *A district-determined (DD) subject area graduation code was implemented in SY 2018-19 and thereafter, which has been applied to specific courses. Schools MUST convert the DD code to an acceptable subject area code on official student records in order for a student to receive graduation credit. For the 2018-19 and 2019-20 school years, the only acceptable subject area codes that can be used for those courses carrying the DD graduation code will be codes BI or EQ.

Note: Two lecture-only format courses with similar numbers to those designated as Biology may satisfy the Biology I graduation requirement; students should be advised that they will still need to complete two laboratory courses.

End of Course Assessment: Students who complete their Biology I requirement through dual enrollment are not required to take the Biology I End-of-Course Assessment (EOC). However, students who choose to pursue the "Scholar" diploma designation must complete the Biology I EOC. The EOC will be used for the diploma designation only. The content in the sequence BSC X010 and BSC X011 or BSC X007 and BSC X008 are comparable to the standards for Biology I and therefore can be used as preparation for the Biology I EOC for those students who choose to take the assessment.

## Social Studies

Courses listed in this section shall be considered the specific Social Studies coursework for the purposes of high school graduation requirements as indicated.

United States History: Faculty reviewers have determined that the content in the AMH XO10 and AMH X020 sequence is comparable to the standards for United States History and may be used for preparation for the End-of-Course (EOC) assessment. All other AMH courses should be reviewed by the school district and postsecondary institution to determine if the course(s) may be used as preparation of the U.S. History EOC.

| Course Number Course Title |  | H.S. <br> Grad <br> Code | H.S. <br> Credit | GE Core <br> Subject Area |  |  |
| :--- | :--- | :--- | :--- | :---: | :---: | :---: |

## Electives

Courses included in this table are identified as Postsecondary General Education Core Subject Area courses (GE Core), but do not fulfill a core high school subject area requirement.

| Course Number |  | Course Title | H.S. <br> Code | H.S. <br> Credit | GE Core <br> Subject Area |  |
| :--- | :---: | :---: | :--- | :---: | :---: | :---: |
| ANT | X | 000 | Introduction to Anthropology (GE Core) | EL | 0.5 | Social Sciences |
| HUM | X | 020 | Introduction to Humanities | EL | 0.5 | Humanities |
| PHI | X | 010 | Introduction to Philosophy (L) (GE Core) | EL | 0.5 | Humanities |
| PSY | X | 012 | Introduction to Psychology (L) (GE Core) | EL | 0.5 | Social Sciences |
| SYG | X | 000 | Principles of Sociology (GE Core) | EL | 0.5 | Social Sciences |

Courses included in this table have been identified as high enrollment courses and are provided to assist in determining appropriate high school subject area credit. This section should not be considered a complete list of courses that may be used for elective credit toward high school graduation requirements.

| Course Number |  |  | H.S. <br> Code | H.S. Credit |  |
