Principal

### **2022-2023 PARENT AND FAMILY ENGAGEMENT PLAN (PFEP) SUMMARY**

Boynton Beach High School faculty and staff will collaborate with families to support our students as they strive to become productive, contributing citizens.

#### **Annual Title I Meeting**

The Title I Annual Parent Meeting will be on Tuesday, August 30, 2022. Families are invited to attend this meeting to learn more about our school wide Title I program and the requirements of Title I.

#### **Parent and Family Engagement Activities**

Based on the family survey input, we will provide the following trainings for families that will build capacity to support learning at home to improve student academic achievement:

- *Pathway to Graduation* for all parents and students. Participants will be trained on how to navigate through their student's SIS portal and review current grades, test scores, and requirements needed to graduate. This training will be held on Tuesday, October 25, 2022.
- *Literacy Night*: Parents will have training on test taking strategies to help their child on the FSA English Language Assessment (ELA), SAT, and ACT standardized tests. Parents will navigate through the FSA practice test site and review practice tests for the SAT and ACT. This training will be on Wednesday, February 1, 2023.

#### **Accessibility for all families**

We encourage all families to attend meetings and events. We will provide the support needed to ensure our families are able to participate. We provided translated documents and interpreters, accessible meeting space, and a later start time. We further encouraged families to notify the school if other assistance is needed. We want all families to be a part of their child's education.

### **Communication**

We reviewed family feedback to decide how we will communicate with families. Based on your input, we will communicate in many ways, including our Webpage, Social Media pages, callouts, remind text messages, and flyers sent home in various languages. Our goal is to maintain open and ongoing communication between home and school.

### **Coordination and Integration**

We collaborate with other federal programs, district departments, and the business community to provide integrated parent and family engagement opportunities such as the school district Multicultural Department, Exceptional Student Education Department, and the Florida Department of Education.

This Parent and Family Engagement Plan was written in partnership with families and other members of our school community. We welcome any suggestions you may have to improve our family engagement practices. If you have any comments, you may write them below. You are also encouraged to attend our annual Parent Input Meeting in the spring and complete the Title I Parent and Family Engagement Survey sent home each year.
