Jupiter Elementary School educators, parents, and community members strive to instill a positive foundation for our students in order to successfully develop the whole child. Additionally, our school strives to involve parents and families in their child's education with two way open communication, parent training, and resource support. We encourage all parents to actively participate in their student's achievement and family engagement activities. We are committed to involving parents, families and the community in shared decision making.

Parent & Family Engagement Plan

- How we work with parents, families and the community to increase student achievement

All stakeholders and families are invited to give their input at Title I meetings. Newsletters, call outs, and text messages are sent to stakeholders informing them of these meetings. SAC will play a role should there be Title I items that will need parent input and approval. The principal decides which staff to attend the SAC meetings.
