Dear Parents, Teachers and Staff of Palm Beach Lakes Community High School (PBLCHS)

As you are aware, Palm Beach Lakes Community High School (PBLCHS) will be experiencing some Administrative changes. The long-term principal will be transitioning to another principalship in the School District of St. Lucie County to share the vision and innovation that made PBLCHS come alive. Mr. Alfonso's passion and dedication to the school community of PBLCHS will forever leave a stamp on the community and the students. We wish Mr. Alfonso all the best in this next phase of his career.

The first step in selecting a new Principal for PBLCHS is to conduct a Selection Focus Group and then allow stakeholders to complete a survey. The information below is listed for your participation.
