

Title I Annual Meeting

A Collaborative Presentation

*Department of Federal and State Programs
and Title I Schools*

Purpose of Meeting

- The Every Student Succeeds Act (a federal law) requires Title I schools to hold an Annual Meeting to explain and discuss the school's Title I programs, parents' rights, and other school requirements.
- Families are encouraged to ask questions and make suggestions to help improve the school's Title I program.

What is Title I?

Title I is part of a federal law that grants money to select schools to:

- help meet students' educational needs and goals,
- provide staff with professional development, and
- support school and family partnerships.

How does a school become Title I?

- **Eligibility for 2023-2024 School Year**
 - District analyzes income data (Free and Reduced Priced Lunch (FRPL), Direct Certification)
 - District sets eligibility thresholds based on federal and State laws:
 - 70% for elementary, middle and combination schools
 - 67% for high schools

What does it mean for our School?

- Additional funds to support students, teachers, and families!
 - These funds are over and above what the District provides.
 - Funds concentrated in instruction for students, professional development for our teachers, and activities to strengthen our partnership with families.

What does it mean for our School?

- Rights for Parents and Families to be informed and involved
 - Title I Annual Meeting
 - Decision-making Committees (Stakeholder Input Meeting)
 - Parents' Right to be Involved
 - Parent and Family Engagement Plan*
 - School-Parent Compact*
 - Parents' Right to Know Notifications*
 - Surveys

Schoolwide Title I Programs

- All students benefit
- All teachers benefit
- All families benefit

Our Schoolwide Plan (SWP)

Lantana MiddleSchool

ELA - Teachers feel that there is a lack of stamina in reading which could be causing students to perform below grade level. We also need more push in and pull out support in ESE and ELL

Math - Students still seem to be lacking basic skills, playing catch up from COVID. Parents lack the skills and Knowle/training to help students at home.

Science - Since many students struggle to read, students continue to struggle on the Science Test

Social Studies - Students do well on the Civics Test, because the class seems to be more engaging for students.

Expected Outcomes

- Increase achievement by 6%
- Recruit and Retain qualified instructional staff
- More PLCs to understand B.E.S.T. Standards
