April 2024 Edition

## Message from Administration

Greetings Panther Families,

It is hard to believe that we only have two more months of the school year! However, these are the two most important months of our students' educational careers. All year, your children have been learning the state B.E.S.T. standards by our expert instructional staff. Each and every student has shown a tremendous amount of growth from August 2023 to April 2024.

As we approach the last two months of school, our students in kindergarten - 5th grades will be taking the **mandatory state tests in reading, mathematics and science (5th grade only for science)**. These mandatory state assessments determine student promotion or retention in the next grade level. What does this mean?

**We need our students at school, each and every day, on-time by 8:10 a.m.! Our students need to remain at school until the end of the school day at 2:10 p.m.**

Students should only be missing school if they are sick or have an important doctor's appointment. We ask that parent schedule doctor's appointments after 2:10 p.m.

### Testing Schedule

Our Kindergarten - 2nd Grade students will be taking their mandatory state tests in the month of April, whereas our 3rd Grade - 5th Grade students will be taking their mandatory state tests in May. Please see the April state testing schedule below:

Tuesday April 16, 2024	Kindergarten Reading State Test
Wednesday, April 17, 2024	1st Grade Reading State Test
Thursday, April 18, 2024	2nd Grade Reading State Test
Tuesday, April 23, 2024	Kindergarten Math State Test
Wednesday, April 24, 2024	1st Grade Math State Test
Thursday, April 25, 2024	2nd Grade Math State Test

*Mr. Cory A. Friess*, Principal

*Ms. Cindy Pedraza*, Assistant Principal

**Mr. Jammy Sanon** has been with Northmore for almost 6 years. For the past 3 years, Mr. Sanon has served as the Administrative Assistant to Principal Friess. In this role, Mr. Sanon was responsible for many confidential administrative duties and serving as the Office Manager. As many may not know, Mr. Sanon has been attending college to earn his degree in Information Technology (IT). Recently, Mr. Sanon was offered a **promotion** to the Information Technology Department with the school district as a **Senior Technical Analyst**. We are extremely happy for Mr. Sanon and know he will continue to do great things with the school district!

**Mrs. Iris Martinez** has been with Northmore for almost 3 years as the Front Office Secretary. Mr. Friess has **promoted** Mrs. Martinez to serve as the next **Administrative Assistant to Mr. Friess**. Mrs. Martinez comes with a wealth of knowledge and experience in this type of position. She is an absolutely phenomenal member of the Panther Family who we know will do great things in her new role!

We wish them both well in their new positions!

**Mr. Jammy Sanon**

**Mrs. Iris Martinez**

## Teacher and Employee of the Month

Coach Liriano has been teaching at Northmore Elementary for 22 years as our P.E. Teacher. He inspires his students daily with his innovative activities that teach students a variety of outdoor skills that can be brought into the classroom. One of the greatest rewards of his long career at the same school is that some of his former students are now teaching at Northmore! In addition to this, he also has children of former students in his P.E. classes now. In Coach's free time, he likes to watch and attend sporting events, go to the pool, eat, and go running with his wife and dog, Vinny.

Mr. Marlon joined the Northmore Family this year as our 5<sup>th</sup> Grade Math Academic Tutor. As a dedicated college student pursuing a degree in accounting, Mr. Maron brings a disciplined approach to his studies and a commitment to excellence. Beyond his academic studies, Mr. Marlon has vast interests that include exploring the great outdoors and forms of gaming to sharpen his problem-solving skills. Mr. Marlon strives to cultivate a well-rounded perspective and make meaningful contributions to both his professional field and broader community.
