Panther Parent News

March 2024 Edition

Message from Administration

Greetings Panther Families,

We are so excited to be entering the month of March. It is hard to believe that we have three months remaining before the summer. However, we still have many days of school left as we prepare for the end of the year state assessments. This is wonderful news, as it means that we have the opportunity to continue teaching our students everything that they need to know in reading, writing, math, science, social studies, the performing arts and much more!

Together **E**veryone **A**chieves **M**ore (TEAM)

At Northmore, we embrace the theme of Together Everyone Achieves More, which means that we all work together as a TEAM! Because we are all a TEAM, we need our school staff, students, parents and community stakeholders to work together in order to meet the needs of our students. Below are some ways that we can work as a TEAM to ensure success:

Student Attendance

It is very important that all of our students are at school, on-time, every day by 8:10 a.m. Starting at 8:10 a.m., our classroom teachers begin their instruction. When students arrive to school late, they miss important subject area instruction. In addition to this, if students are picked up early, they miss out on important instruction from that class.

The only time as ask that students stay home is if they are sick. Parents of sick students should call the school to let us know, as well as send in a written note when your child returns.

Student Academics

Student academics is extremely important. All of our students have homework every night except for Fridays. Please make sure that you check their homework daily. Also, students who have been registered to attend tutorial need to attend every session. Student tutorials designed to help students do better on the skills that they are struggling with. Thank you so much for helping the school with this!

Mr. Cory A. Friess, Principal

Ms. Cindy Pedraza, Assistant Principal

Teacher and Employee of the Month

MS. CAPPELLINI
4TH GRADE TEACHER

PIC•COLLAGE

Ms. Cappellini has been with the Panther Family for 3 years and has shown her reading expertise within the classroom and with individualized instruction. Ms. Cappellini is a master teacher who has successfully taught 3rd Grade ELA, 4th Grade ELA and Reading Interventions. She makes her students feel at home in the classroom, and gives them the ability to think creatively. She enjoys working with her 4th grade students this year and increasing their love of reading and learning.

MS. BAILEY
BEHAVIOR NEEDS
ASSISTANT

PIC•COLLAGE

Ms. Bailey is Northmore's Behavioral Needs Assistant. Ms. Bailey has a passion for working with children and putting a smile on their faces. Her goal is to assist students in decreasing disruptive behaviors and effectively communicate their emotions or frustrations in order to maintain a safe and inclusive learning environment. Outside of work, Ms. Bailey enjoys spending time with her family, reading and finding additional resources for expanding her knowledge on behavior management strategies, including ways to effectively communicate with students of varying exceptionalities.
