Message from Administration

Greetings Panther Families!

We are in the final month of the 2023-2024 school year! This school year has gone by extremely fast. As many of you know, the final month of school is filled with mandatory state testing, exciting end of year events and end of year ceremonies to celebrate the accomplishments of your fantastic children. This month is also going to fly by, but we are truly looking forward to the fun we will be having!

State Testing Schedule for 3rd - 5th Grade Students

Our 3rd - 5th Grade students are required to take their final state tests this month. These tests determine if students in these grade levels are promoted to the next grade level or retained in the current grade level. We ask that all students be to school by 8:00 a.m. on testing days.

Wednesday, May 1	3rd Grade Reading State Test
Thursday, May 2	4th Grade Reading State Test
Friday, May 3	5th Grade Reading State Test
Tuesday, May 7	5th Grade Math State Test
Wednesday, May 8	3rd Grade Math State Test
Thursday, May 9	4th Grade Math State Test
Friday May 10	5th Grade Science State Test

Summer School for Select Students

Summer School will take place every Monday - Thursday from June 10, 2024 - July 18, 2024 from 8:30 a.m. - 2:30 p.m. (No school on June 19th and July 4th). Select students have been invited to attend summer school. Summer School is very important because it helps our students continue learning, while helping them learn important reading, writing, math and science standards they may have not mastered during the school year.

If your student has been selected to attend summer school, please make sure that you return the permission slips back to the school ASAP. Please indicate if transportation is needed.

Ms. Pedraza will be the Site Administrator for Summer School, which will be held at Westward Elementary School. Transportation will be provided to a majority of our students who attend summer school.
