

# MIND GAMES

Educational Enrichment Through Play™

## Come join the fun at Mind Games!

Mind Games is an enrichment program that helps students improve academic achievement through S.T.E.M. based game play. Each week students are introduced to a new, educational, **SCREEN-FREE** game. Studies have shown that learning through play will expand cognitive abilities and assist in developing important life skills.

### AREAS OF FOCUS

- Cognitive Processing Speed
- Focus & Attention
- Critical Thinking
- Trial & Error
- Sensory Integration
- Life Skills

### S.T.E.M. EDUCATION (Science, Technology, Engineering, Math)

S.T.E.M. education is a great launching pad for curiosity, investigation, critical thinking, teamwork, and problem solving. Our inquiry-driven lessons create an environment that stimulates learning through questioning, exploring, and creating.
