

# Rolling Green Elementary

## 2023–2024 Parent and Family Engagement Plan Summary

### Parent and Family Engagement Mission Statement

Rolling Green Elementary is committed to working collaboratively with staff, parents, and community stakeholders to enhance our educational environment. Our focuses will include involving families in shared decision-making processes and encouraging families to become active participants in their child's education. Rolling Green is an inclusive and respectful school valuing our many cultures.

### Annual Title I Meeting

Each year, families are invited to attend our Annual Title I meeting held before the open house at the beginning of the school year to learn more about our Title I Program and the requirements of Title I. Our annual meeting will be on September 14 at 5 p.m.

### Accessibility for all Families

We encourage all families to attend meetings and events at Rolling Green. We will provide the support needed to ensure all families are able to participate. We will provide translated documents and interpreters, with multiple meeting days and times. Please notify the office if other assistance is needed. We want all families to be a part of their child's education!

### Parent and Family Engagement Activities

Based on family survey input, we will provide the following activities to assist families in understanding the state curriculum and assessments to help families improve their children's academic achievement:

- **Parent Engagement Nights (PEN)** for families to learn strategies to help their children at home.
- **Assessment Nights** will inform families of **B.E.S.T Standards** - STAR and FAST grade-level assessments, curriculum and grade-level expectations, and how to help students succeed.

### Shared Decision Making

Families will be invited to many meetings throughout the year to receive academic information and provide input on ways the school, families, and students can share responsibility for student success. We hope you will join us for SAC/PTA meetings, parent conferences, Title I meetings, and pieces of training.

### Communication

Based on your input, we will communicate in many ways, including our new website and Twitter; through emails and phone calls from teachers, school administration, and the marquee; by flyers sent home with your student; and through notes in your student's agenda book. If you find that communication doesn't seem to be getting home, please let us know. Our goal is to keep communication between the home and school open and ongoing.

### Volunteers

Families are encouraged to volunteer at our school to help students and teachers be successful. To find out more about volunteer opportunities, please call our school's volunteer coordinator. We'd love to have your help.

### Our Plan

This plan was written in partnership with families and other members of our school community. We welcome your suggestions to improve our family engagement practices. If you have comments, you may write them on the lines below. You are also encouraged to attend our annual Parent Input Meeting in the fall and spring and complete the Title I Parent and Family Engagement Survey sent home each year.

Please sign below to let us know you've read the summary. The signed portion should be returned to your child's teacher.
