

The Suncoast High School 11th Annual College Fair Returns and is “Destined For Greatness!”

RIVIERA BEACH, FLORIDA. - September 21, 2023 - The Suncoast High School 11th Annual College Fair returns on Wednesday, October 11, 2023 from 5:30pm to 8:00pm. The event will be held in the Suncoast Gymnasium at 1717 Avenue S., Riviera Beach, FL. The event will give attendees access to **more than 90** college and university representatives from public and private institutions from across the country and internationally. Additionally attendees will have access to free informative sessions with subject matter experts. The event is free and open to all students in Palm Beach County and surrounding counties.

This year’s college fair theme is “[Destined For Greatness](#)” to encourage students to identify their personal interests and skills, set goals, and examine college choices. Doors open at 5:30pm with a brief presentation in the Theatre from professionals in the areas of college prep, testing, financial assistance, and scholarship opportunities.

Students will have the opportunity to speak with admissions directors and recruiters beginning at 6:00pm in the Gymnasium to find out what it takes to gain entrance to their prestigious institutions. Students can visit the [Suncoast PTSA College Fair webpage](#), or www.SuncoastPTSA.org, daily for a current list of attending institutions and to access an e-catalog of attending colleges.

In addition to connecting with college recruiters - experts in college planning, testing, essay writing, and scholarship opportunities will hold special breakout sessions. These free and informative sessions will be offered throughout the evening to provide opportunities for questions and answers on a variety of college planning and preparation topics. Attendees can choose to attend two breakout sessions and have the opportunity to meet with college representatives. The first breakout session is from 6:10pm - 6:45pm. The second breakout session is from 7:00pm - 7:35pm.

Attendees can share their personal contact information digitally and instantly with the college of their choice by registering with StriveScan. After sharing contact information, attendees will receive a list of the colleges they visited during the college fair. Registration is free with StriveScan and attendees should register prior to attending at www.StriveFair.com. New this year, attendees will be able to share their contact information with colleges they were unable to visit after the fair concludes.

This year's event is coordinated by the Suncoast High School PTSA and the Suncoast High School Counseling Services Department. Gold Sponsors include: Score at the Top, International College Counselors, Prepory, and Suncoast High School PTSA.

Suncoast High School is a 2023 National Blue Ribbon School located in the heart of Riviera Beach, FL. Suncoast was recently ranked #70th in the *2023-2024 U.S. News and World Report Best U.S. High Schools* rankings of over 25,000 public high schools, #6 in Florida High Schools, and #1 in Palm Beach County High Schools. Suncoast is a rigorous, four-year college preparatory magnet high school, comprised of four distinct Choice programs: Computer Science (CS), Innovative Interactive Technology (IIT), International Baccalaureate Diploma Programme (IB), and Math, Science and Engineering (MSE).

Please contact the Counseling Services Department at 561-882-3417 or visit www.SuncoastHighSchool.org for more information about the 11th Annual Suncoast High School College Fair.
