Academic Courses

Student Placement based on performance indicators (grades, test scores)

Academic Advancement Opportunities

*At Emerald Cove we offer Gifted and advanced level coursework.

*This includes math acceleration and high school credit opportunity!

High School Credit courses offered at Emerald Cove

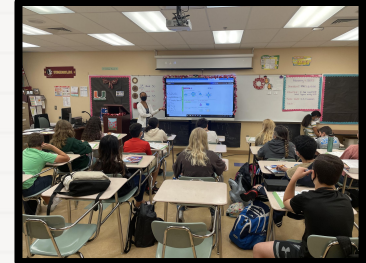

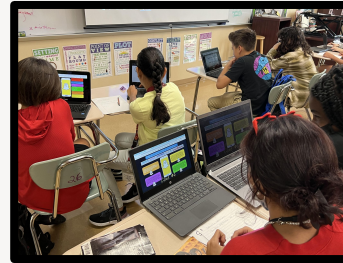

*Algebra I *Geometry

*Algebra II *Spanish

*Physical Science

*Computer Fundamentals

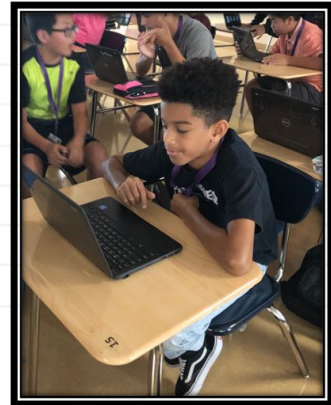

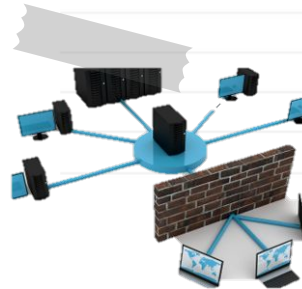

(+Industry certification)

ECMS Pre-IT Program

6th grade- Information & Communication Technology Essentials

- Introduces students to computer science as a vehicle for problem solving, communication, and personal expression. Focuses on the visible aspects of computing and computer science, and encourages students to see where computer science exists around them and how they can engage with it as a tool for exploration and expression.

Positive Impact of Acceleration

Advanced level course work has many advantages for middle school students

- Opportunity to enter 9th grade with high school credit
- Exposure to curriculum which will prepare them for college level coursework
- Competitive track for admission to College, University or post high school program of their choice

Be on top of your grades!

- Middle school has 4 quarters (9 weeks each)
- Middle school uses letter grades and points
 - A=4
 - B=3
 - C=2
 - D=1
 - F=0

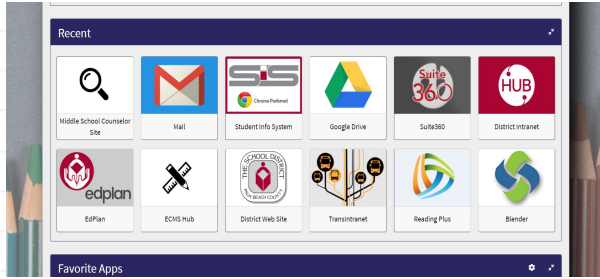

- Write down all assignments, tests and projects in your agenda and check it daily.
- Turn in your work.
- Study for Tests.
- If you are absent, make up your work.
