Our school mission at Olympic Heights Community High School is: Achieving Academic Excellence through Self-Discipline in a Caring Environment.

The teachers and staff want to do everything possible to help each student reach his/her goal and we firmly believe that teaching students to be self-disciplined is the key.

A safe and orderly environment is necessary to achieve our mission. Expectations for appropriate behavior have been clearly outlined for students in this handbook and will be further emphasized by the administration. Parental support is needed in order for us to achieve our mission. We hope that every parent in our school will provide that necessary support.

Sincerely,

ACCIDENTS

It is the responsibility of the student or his/her parent to see that all accidents, major or minor, that occur on the school grounds or buses are REPORTED TO THE SUPERVISING TEACHER, THE STUDENT SERVICES OFFICE, OR AN ADMINISTRATOR IMMEDIATELY.

ACCIDENT INSURANCE

Student insurance policy covering school accidents with school day coverage or 24-hour coverage is available to students. Application forms are sent home at the beginning of the school year. The responsibility for arranging for insurance lies with the respective student or parents, not with the school. Claim forms are available in the main office.

ASSAULT OR BATTERY UPON DISTRICT SCHOOL BOARD EMPLOYEE

Assault and battery is a criminal offense. Any assault or battery upon a school employee will be subject to prosecution.

BLOOD DONATIONS

During the school year, your Junior/Senior will be given the opportunity to establish a lifelong habit which benefits the community, and helps build moral character. He or she will be able to “Give Blood.” The State of Florida legislature has found this so important that it has given the 17-year-old the right to give blood without permission. The law, however, does give a parent or guardian the ability to deny permission. If your Junior/Senior is 17 and you wish to deny permission to give blood, Guidance has a form to be completed and returned to the Blood Bank two weeks prior to each blood drive. Additionally, a 16-year-old can give blood with parent permission.

EXCUSING AN ABSENCE

To excuse an absence please visit our school website and click on “Parents and Students”, on the left side of the page you will see “How to excuse an absence”. Please fill out the online form and it will be routed to the attendance secretary. The link is below:

https://docs.google.com/forms/d/e/1FAIpQLSd-NSj9bvNtQla6NvZobW7784gBU_PC2DP5RFO9U48iyYzlww/viewform

******Students have as many days as they were absent to make-up missed work. It is the student’s responsibility to get missed work from the teacher and make it up on time. ******

If a student is continually sick or repeatedly absent from school (10+ absences in one or more classes) parent messages will no longer be acceptable and doctors’ letters will be needed.

Excused absences are only for the following:

1. Illness, documented by a doctor’s note.
2. Court appearance, documented by court papers
3. Funeral
4. Religious reasons

Students leaving campus without signing out OR without a pass will be considered as an unexcused absence and subject to disciplinary action.

Any discrepancies in attendance, excused or unexcused, must be clarified within two weeks. Any absence over ten (10) days must be excused by the student’s Assistant Principal.

ABSENCE FOR RELIGIOUS REASONS - STUDENT

State Board Rule 6A-1.09514 requires school districts to develop rules regarding student absence for religious instruction or religious holidays. The following guidelines have been implemented:

Students' parents or guardians must, within five days prior to an expected absence for religious reasons, notify the principal in writing and request that the student be excused from attendance.

The following are the identified religious holidays:

1st Day of Jewish New Year	Purim
2nd Day of Jewish New Year	Festival of Holi Dissehr or Phagwa
Chanukah	Christmas
First Day of Lent	New Year's Day
Maulud-un-Nabi	Ram Naumi
Sukkot -- 1st Day	Holy Thursday
Pavarana	Good Friday
Sukkot -- 2nd Day	7th Day of Passover
Shemini Atzsere	Simchat Torah
Kanname Festival	Hanamatsuri
Reformation Day	Yom Hashoah
All Saints' Day	Baishakhi
Niiname Festival	Idul-Fitr
Day of Our Lady	Yom Ha'atzma'ut of Guadalupe
Ascension Day	Ash Wednesday
Maha Shiva Ratre	Decalaration of the Bab
Nirvana Day	Vesaka Puja
2nd Day of Shavout	

STUDENTS MUST WEAR THEIR I.D. BADGES AT ALL TIMES.

School attendance is the direct responsibility of parents and students. All students are expected to attend school regularly and to be on time for classes in order to benefit from the instructional program and to develop habits of punctuality, self-discipline and responsibility.

Students who are on school approved activities (TLE's) such as field trips, student council meetings, and the like will NOT be marked absent from class. It is the responsibility of the student to make up work missed resulting from excused absences or participation in school approved activities.

All students who accumulate eleven (11) absences in a semester whether excused or unexcused will be required to TAKE AND PASS the semester exam. An absence in a **BLOCK PERIOD counts as two absences. Along with passing the semester exam, the student must have also passed one of the two nine week periods in order to receive credit for the course.**

NOTE: If a student is absent more than ten percent (10%) of the second (2nd) semester in an EOC Assessment course, the student must earn a passing grade in the fourth (4th) nine-weeks, in order to pass the course.

ATTENDANCE REQUIREMENTS FOR MINORS TO MAINTAIN THEIR DRIVING PRIVILEGE

The 1997 Florida Legislature enacted requirements that schools report to Department of Highway Safety and Motor Vehicles (DHSMV) the names, birthdates, sex, and social security numbers of minors who attain the age of 14 and accumulate 15 unexcused absences in a period of 90 calendar days. The legislation further provides that those minors who fail to satisfy attendance requirements will be ineligible for driving privilege.

THIRTY-DAY RULE FOR REINSTATEMENT OF DRIVERS LICENSE

Thirty (30) days of continuous attendance without any unexcused absences. This includes class period absences. If an unexcused absence occurs, the count will start all over again. If an excused absence occurs, the count will continue, but plus one (1) day.

HOMEBOUND STUDENTS

Parent(s)/guardian(s) may request hospital homebound services for a student with an illness that will require the student to miss fifteen (15) or more consecutive school days. This illness must be clearly documented by a certified medical representative on a form entitled "Request for Consideration of Hospital Homebound Services (PBSD 0312) The ESE Coordinator should be contacted and can assist any parent/guardian in determining whether or not a student is eligible to access hospital homebound services.

EXCEPTIONAL STUDENT EDUCATION (ESE)

A student classified as ESE, with the exception of gifted and speech students, must have an ESE staffing to determine whether or not the student's excessive absences are related to the student's disability. If the student, parent(s)/guardian(s), or staffing team member presents acceptable evidence that the excessive absences are related to the student's disability, appropriate changes in placement and/or the Individual Education Plan (IEP) should be recommended by the staffing team.

CHILD STUDY/504 TEAM – In the case of a student on an active 504 Plan, the multi-disciplinary team shall determine if the absences are in any way caused by the documented disability of record on the active 504 Plan. If the multi-disciplinary team determines that the absences are caused by the disability, the student's placement must be re-evaluated as to the appropriateness of the current placement and necessary additional strategies and/or interventions must be addressed. If the multi-disciplinary team determines that the absences are not caused by the disability, the student is treated in the same manner as similarly situated non-disabled students. The child study team determines the Section 504 Plan. Individualized planning/modifications are available for students meeting eligibility criteria under the Section 504-Rehabilitation Act. Conditions such as asthma and Attention Deficit Disorder are included under Section 504 as well. It is important to note, however, that the condition must substantially limit a major activity, such as learning, to be considered a handicap under Section 504.

SCHOOL BASED TEAM

The School Based Team concept is founded upon educational research on effective student intervention practices. The Team is composed of Guidance Counselors, School Psychologists, Nurses, Administrators, Exceptional Education staff, 504 staff, multicultural staff, School Police and other related service providers. The School Based Team follows a structured problem-solving process that allows a diverse representation of instructional and support staff to identify effective interventions.

If you have a concern about a student; parents, students and school staff may make referrals to the School Based Team through the Guidance Department.

CAFETERIA

Students have a wide selection of offerings from our cafeteria, including standard school lunch (\$2.00) and many popular a la carte items. Breakfast is also offered daily. Information regarding free or reduced lunch and breakfast will be sent out to all parents via the mail. You can also request a form through the cafeteria manager at 852-6945. All students will be assigned PIN (Personal Identification Numbers) and will be required to use this PIN number throughout the school year when purchasing breakfast and/or lunch items. PIN numbers cannot be shared and purchasing privileges may be revoked if PIN numbers are shared with other students or used more than once during a breakfast and lunch period. Please note that respectful, courteous and appropriate behavior is expected at all times in the cafeteria. Students are not to throw any items or food at any time and are expected to clean up their eating area in a timely manner before they are dismissed from the cafeteria. If a student is caught throwing any items or food in the cafeteria, the student will receive a disciplinary consequence.

CELL PHONES / ELECTRONIC DEVICES

Cell phones, Ipods, headphones and earplugs may be used during lunch and between classes. Cell phones are to be turned off during class. Cell phones and any type of headphones that are used in class will be confiscated. Possession, use or display of a camera phone will be treated as "Prohibited Items, non-criminal" and will result in confiscation of the phone, and in a disciplinary consequence. Refusal to hand-over a cell phone (any item) requested by a staff member will result in a more severe disciplinary consequence. Lost or damaged cell phones are not the responsibility of the school.

CLINIC

If a student feels ill he/she is to report to class first and get a clinic admit pass from the teacher. The school clinic is intended for the use of those students who become ill after reaching school or who suffer an accident during school hours on school property. The clinic is located in the Guidance Office. Students are not to stop in the clinic between classes or without a pass from their teacher. If a student is to go home, parent contact must be made by the nurse. An ill student should not be calling from his/her cell phone to inform a parent/guardian

to pick them up. Students leaving campus without signing out will be considered unexcused and subject to disciplinary action.

MEDICATION DURING THE SCHOOL DAY

Parents of students requiring the administration of medication during the school day should contact the school nurse in the Clinic to make arrangements. Students may not possess any prescription or non-prescription medication on school grounds or at any school activity.

ADMINISTRATION OF MEDICATION BY SCHOOL DISTRICT PERSONNEL (S.B. POLICY 5.321)

Notwithstanding the provisions of the Nurse Practice Act, Chapter 464, Florida Statutes, school district personnel shall be authorized to assist students with required prescription medication if the following conditions have been met:

School personnel designated by the principal to administer medication are trained according to the procedure in the approved health services plan.

The School Board of Palm Beach County adopts policies and procedures that govern the administration of medication. Policies and procedures shall include but are not limited to:

1. The student's parent/guardian provides a completed Physician's Authorization of Medicine/Treatment for a Student at School form.
2. The parent/guardian should deliver the medication and the documentation directly to the school nurse.
3. The medication to be administered shall be received in its original container. When the medication is not in use, it shall be stored in a secure fashion, under lock and key, in a location designated by the principal.
4. Every attempt shall be made to administer the medicine in a manner, which will not interfere with the educational process.
5. There will be no liability for civil damages as a result of the medication administration, when the person administering such medication acts as an ordinarily prudent person would have acted under the same or similar consequences.
6. An asthmatic student shall be allowed to carry a metered dose inhaler on his person, while in school, if proper documentation is provided.

CLOSED CAMPUS

Olympic Heights Community High School is a closed campus, in order to satisfy state and school board requirements for supervision of students. FS 230.22, 2

1. Students are not permitted to leave the campus during the school day without permission from the administration.

2. During lunch, students must remain in the lunchroom or courtyard. All other portions of the campus are off limits. Food deliveries are NOT permitted.
3. Failure to comply with these rules will result in disciplinary action.

CHANGE OF ADDRESS

***** For emergency reasons, it is necessary that the school keep an up-to-date address and telephone number for each pupil. Any change in addresses and telephone numbers should be reported to the Guidance Office with documentation. Failure to report changes results in a breakdown in the reporting process to parents. *****

BOUNDARIES AND LEGAL GUARDIANSHIPS

Students are required to attend a school in the area in which their parents/guardians reside. The Superintendent of Palm Beach County schools shall establish procedures to ensure that students in a legal guardianship are in attendance at their appropriate school.

COMPUTER USE

Computers are to be used only under the control of a staff member. Students are not to be logging on to the network or running programs without the knowledge and supervision of a staff member. Any students involved in using any computer program within the Olympic Heights High School computer network that is not directly related to course requirements will be subject to disciplinary action up to and including suspension from school. No student will have access to the Internet without an instructor's permission and supervision. Any student who, unlawfully, accesses any files on the Internet not directly related to course requirements are subject to any or all disciplinary actions.

The Palm Beach County Network is used as part of a school activity; the school's code of conduct applies to network activities as well. These rules apply to vandalism of computer equipment, unauthorized access to information, computer piracy, and tampering with hardware or software. Other types of damage and information loss to a computer system may be caused by viruses. If you are responsible for a computer becoming infected with a virus, you could be held liable. These rules further apply to the electronic use of harassing and abusive or obscene language. You may not use the network to annoy, harass, or offend other people.

AUTHORITY OF THE PRINCIPAL

The principal shall be the administrator and supervisory head of the school and shall be responsible for the enforcement of the policies of the board as directed by the superintendent. Subject to law and to the rules of the state board of education and the district school board, the principal in charge of the school or another designated representative shall develop policies which may be delegated to any teacher, instructional staff member or any

bus driver transporting students of the school, such responsibility for the control and direction of students. The principal or a designated representative may suspend any student transported to or from school from the privilege of riding on the school bus. Written notice will be provided to the student's parents or guardians and to the superintendent within 24 hours of the incident/suspension. This notice will clearly outline the reason(s) behind the suspension of bus privileges and the duration of the bus suspension. School personnel shall not be held legally responsible for suspensions of students made in good faith. The principal or designated representative may recommend to the superintendent the expulsion of any student who has committed a serious breach of conduct including, but not limited to, willful disobedience, open Defiance of authority of a member of the staff, violation against any persons or property, or any other act which substantially disrupts the orderly conduct of the school. Any recommendations of expulsion shall include a detailed report by the principal or designated representative on the alternative measures taken prior to the recommendation of expulsion. F.S. 232.26

COLLECTING/SOLICITING MONEY

Students or staff may not solicit funds unless the principal has authorized permission. Students are to refrain from borrowing money from other students. ABSOLUTELY NOTHING IS TO BE SOLD ON CAMPUS UNLESS IT IS SCHOOL SPONSORED AND APPROVED BY THE PRINCIPAL.

COMPULSORY SCHOOL AGE

The compulsory school attendance age is six to sixteen. Florida Statute 232.01

BULLYING

The School District of Palm Beach County takes all forms of mistreatment and bullying seriously. Please refer to School Board P-5.002 located at <https://go.boarddocs.com/fl/palmbeach/Board.nsf/Public> Chapter 5 to view the District's Bullying and Harassment policy. In 2009, the State of Florida enacted the Jeffrey Johnston Stand Up For All Students Act, F.S. § 1006.147 which called for districts to enact anti-bullying policies that prohibited face-to-face mistreatment, as well as cyberbullying, and cyber-stalking (the use of technology to harass and bully). In 2013, the legislation was amended so that the definition of bullying includes cyber-bullying and adds "private humiliation" as a behavior that may constitute bullying. School Board P-5.002, entitled, Prohibition of Bullying and Harassment, prohibits bullying and harassment in all forms, including cyber-bullying as defined in the Policy, and requires that all schools promote and teach students positive ways to interact socially and be reminded of appropriate behavior throughout the school year. In 2014, the state enacted legislation that required districts to create a Teen Dating Violence and Abuse Policy. School Board Policy 5.82, allows students of all genders and sexual orientations who believe they have been victims of dating violence or abuse to request accommodations via the creation of Student Safety Plans and/or School-Based Stay Away Agreements in order to create greater separation between themselves and their dating partner. Each secondary school is required to advertise this prohibition against dating violence and abuse in any form, including physical, emotional, or sexual, by posting the contact name and number of an on-site person who would handle any complaints, and post the policy in public places on campus, in the school's student handbook, and in District publications such

as this one. FY20 Student and Family Handbook 10 | Page School Board Policies can be found on the District's Policy web page at: <https://go.boarddocs.com/fl/palmbeach/Board.nsf/Public>. Unacceptable Behavior – Bullying is defined by inflicting physical or psychological distress on one or more students and may involve teasing or social exclusion. Repetitive Bullying means systematically and chronically inflicting physical hurt or psychological distress in person-to-person encounters and/or by means of electronic communication or technological devices on one or more students or school employees. It is further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual's school performance or participation; and may involve, but is not limited to, teasing, social exclusion, threat, intimidation, stalking, physical violence, theft, sexual, religious, or racial/ethnic harassment, public humiliation, damaging or destruction of property, placing a student in reasonable fear of harm to his or her person or property, and cyber-bullying, and cyber-stalking as defined in P-5.002.

If you see a situation that may be bullying, tell an administrator as soon as possible with as many details as possible. We also have a bullying hotline that is anonymous and will be investigated immediately. The number is 561-852-6982.

NOTE

If you are being bullied or know someone that is being bullied, please call the Bullying Hotline at 561-852-6982. This call is completely anonymous and will be investigated immediately.

DISCIPLINE/STUDENT CONDUCT

Please review the **Student and Parent Handbook and Code of Student Conduct on the School Board Website.** https://www.palmbeachschools.org/Students_Parents/student_family_handbook

NOTE

***** A student removed from class will receive a disciplinary action. *****

EARLY DISMISSAL

Upon a written request from a parent or a phone call to the front office (561-852-6901), a student may be signed out of school early for certain reasons (i.e., doctor's appointments, etc.). Students will not be released to the front of the school. Students may not be released after 2:30 p.m.

Parents that are picking up a student before the end of the day must report to the Front Office. Students that are being PICKED UP must bring a request to the Front Office in the morning. Students are to be signed out in the

front office by a parent or guardian with an ID. Students will only be released to names designated on their contact list. Picture ID will be requested from a parent/guardian upon signing out a student. The request from the parent must be specific as to the reason and have a phone number where the parent can be reached. Parent contact will be made, and the student will be given a pass to leave campus.

If a STUDENT DRIVES their request must be brought to The Main Office. Parents of students that drive must either send in a note with a contact number or may call the Front Office office. A pass will be given only if a parent/guardian can be reached.

If requesting to leave during 5th hour lunch, please make prior arrangements so your student will have their pass prior to lunchtime. It is extremely difficult to locate students in the cafeteria.

It is also important that the student sign back in if returning the same day.

If students are not feeling well they must go to the CLINIC then parent contact will be made by a nurse.

Students are not to call parents directly from their cell phones.

Failure to follow these procedures will result in absences being classified as unexcused.

Forging or misrepresenting one as a parent/guardian will result in disciplinary action.

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

A comprehensive ESOL program is provided for students with limited English proficiency.

EXCEPTIONAL STUDENT EDUCATION

Exceptional Student Education is provided for those who are eligible because of specific learning disabilities, gifted learning abilities, varying exceptionalities, speech/language problems, or emotional handicaps.

The eligibility of an exceptional student shall be officially certified by the district coordinator of Exceptional Student Education (or his designee) after reviewing the student's complete eligibility file, which includes all necessary identification data. A school staffing committee shall consider the eligibility of a student for special programs and recommend students to the area ESE Placement Committee chairperson.

EYE PROTECTIVE DEVICES

Eye protective devices shall be worn by students, teachers, and visitors whenever engaged in or observing an activity, or using hazardous substances that may cause injury to the eye. Safety glasses or devices for students, teachers, and visitors shall be provided. Prescription safety glasses of the shatterproof variety are the responsibility of the individual.

FEES

Fees may be assessed in individual courses to enhance the learning and provide a greater range of materials. Lab courses such as in science, art, technology, and vocational courses are most likely to charge a fee. No fee or charge may be required of any student as a condition of attendance and full participation in any class. Principals are permitted to request that students voluntarily purchase prescribed consumable items to aid learning. No penalty may be imposed upon any student who fails to purchase a requested item. Provision for equal learning opportunity must be made for any student who fails to purchase a requested item. Students will normally pay for materials used in the production of a major project, which is to be kept by the student. If the school furnishes materials that are consumed or used in the learning process, the student is not necessarily entitled to the finished project.

ASSEMBLIES AND SPECIAL SCHOOL ACTIVITIES

Students may participate in off-campus field trips to school board approved locations. To attend these functions, students must have demonstrated that they will conduct themselves in a respectful and appropriate manner. A Field Trip Permission Form must be completed and signed by the parent/guardian in order for the student to participate and submitted to the sponsoring teacher before a student will be allowed to leave campus. Teachers and chaperones will have complete authority during the trip. Regular school conduct codes apply. PARENT PERMISSION MUST BE IN WRITING. PHONE CALLS CANNOT BE ACCEPTED.

FINANCIAL OBLIGATIONS

Students are expected to satisfy all financial obligations in a timely manner. Students are required to pay for such items such as lost or damaged textbooks, library fines, sport uniforms and cafeteria charges that have been assessed so that they will be able to receive their grade reports at the end of each semester. Students with outstanding financial obligations may not be permitted to participate in any athletic or non-athletic extracurricular activity until the obligation is satisfied.

**Any check returned by the bank, not paid, must be repaid with cash or money order. A bank fee of \$10.00 will be charged.*

FIRE DRILLS

Several fire drills will be conducted throughout the school year. When the alarm is sounded, all students are to leave the building quietly and quickly by the exit designated in each classroom. Students must remain with their class. All students should be at least fifty feet from the building. Students are to remain quietly outside until the all-clear signal is given. If classes are changing or students are in an assembly or somewhere other than in a classroom, students should leave the building immediately and quietly by the shortest route. Students are to be silent and follow all directives. A mandatory ten day suspension will be issued if a student pulls the fire alarm with no just cause and charges may be initiated followed by a police investigation and/or arrest.

FUNDRAISING

Various clubs, organizations, classes, and teams will conduct fundraising activities throughout the year. The money raised by these activities enables the school to provide enriched opportunities for students. These activities also provide students with the opportunity to contribute to their school community while they learn responsibility and enjoy camaraderie. At no time, however, should these fundraisers interfere with the learning environment or any school related activity nor should they jeopardize the health or safety of students. Door to door solicitations or any other potentially dangerous activity is not permitted.

GRADING

1. Report card grades will be issued each nine (9) weeks. Students are advised to retain their report cards throughout their high school years for reference purposes and occasional cross-checking with permanent transcript records. Please refer to the school calendar on Palm Beach County website for report card distribution dates.
2. A standard grading policy is used to calculate semester grades. The semester grade is based on grades from the two 9-week periods in one semester, and on the semester final exam. Each semester is worth 1/2 credit. The semester grade point average for each course is calculated by: converting the letter grade for each 9-week period to a numerical grade using Table A, converting the letter grade for the semester final exam to a numerical grade using Table B, adding the point grades converts, and then dividing that sum by 5. The letter semester grade is determined by converting from the semester grade point using Table C.

<u>Table A</u>	<u>Table B</u>	<u>Table C</u>
A=8	A=4	A=3.6 or above
B=6	B=3	B=2.6 thru 3.59
C=4	C=2	C=1.6 thru 2.59
D=2	D=1	D=0.6 thru 1.59
F=0	F=0	F=Below 0.6

In the example below, the first 9-week period grade was a C, the second 9-week period grade was B, and the Semester Final Exam Grade was a B. The point semester grade was calculated as 2.6, and this was converted to a Semester grade of B. (Note: Each 9-weeks counts for 40%; the final Exam counts for 20%)

- Semester Average
- 1st 9 Weeks C = 4
- 2nd 9 Weeks B = 6
- Sem. Exam B = 3

The sum of $4 + 6 + 3 = 13$ and $13/5 = 2.6$, so the semester grade is a B

STUDENT TEXTBOOKS AND OTHER INSTRUCTIONAL MATERIALS

Many of the ways we do things are changing. Particularly, the basics of pencil, chalk and textbooks are being supplemented with computers, videos, and other electronic printed materials. Our school and our School Board are committed to providing appropriate instructional materials in all core areas of study for each child. We are committed, also, to ensure your child has access to these materials, be they for homework, class use only, time on a computer at school, or other materials available in our Media Center. We want you to be informed of how we meet our commitment. Therefore, at the beginning of the school year, our teachers will advise you in person or by newsletter of the core materials they plan to use and how homework will be assigned. Teachers will perform book checks before Progress Report and Report Cards. If the student does not have his book during the check, the student will have 48 hours to show the teacher the book or be placed on the Obligation List.

TARDY POLICY

HAVE SOME PRIDE! DON'T BE LATE

The administration and staff at Olympic Heights High School are concerned about your academic achievement as well as your safety. Student tardiness is detrimental to a positive learning environment. We are asking for

your cooperation to ensure your academic success. We will begin enforcing the following tardy policy on the second week of school.

1. Students will be in the classroom by the time the tardy bell finishes ringing.
2. All teachers will stand at the entrance of the classroom during the entire class change.
3. When the tardy bell finishes ringing, teachers should enter their room. At this point, students should not be admitted to your class without a pass.
4. Students who arrive late to school need to go by the guest check-in office before entering the school building. They will receive their tardy slip. Students that are on time to school but late for their class shall report to student services to get a tardy slip. Teachers should check their detention slips for the correct name, time and date.
5. Students who are more than ½ of the class time period minutes late will have their computer generated pass from student services and will be marked absent by the teacher.
6. Students who do not report directly to class from student services will be considered out of area and will receive a discipline referral
7. Consequences for tardies: 0-5 pass to class, 6-11 after school detention, 11+ insubordination referral and ISS for the period. ISS for students who miss their after school detention. Also, students with excessive tardies will lose their privileges (i.e. no after school activities, no pep rallies, sporting events etc..).

If we all work together on these very simple procedures, then both students and staff will know exactly what to expect at all times. Thank you for your cooperation and we look forward to a safe and positive learning environment. **THE TARDY POLICY IS CALCULATED PER SEMESTER
