# THE COBRA COURIER

*The monthly newsletter for Park Vista Community High School*

*"Commit to  
Excellence"*

## PRINCIPAL'S MESSAGE

Hello Cobra Families:

The mission of the School District of Palm Beach County is to educate, affirm, and inspire each student in an equity-embedded school system. The leadership team, faculty and staff at Park Vista pledge to Commit to Excellence as we fulfill the District's mission. Our school counseling team works diligently to schedule all students into appropriately rigorous classes. Parents and students play a critical role in our Commitment to Excellence. As I visit classrooms daily, I am pleased to see our teachers educating, affirming and inspiring our students to commit to excellence. I am honored to be a part of this A-rated school community. The culture of high expectations and a strong work ethic is evident!

On August 6 we welcomed approximately 700 freshmen to Cobra Country. Our Cobra cheerleaders and step team led a spirited introduction to Park Vista. Over 100 Cobra Ambassadors, model student leaders, introduced our 9th graders to campus, provided tips for success, and showed them the Cobra way! Club sponsors and members, as well as athletic coaches, encouraged our freshmen to join activities and athletics. We hope that this introduction to high school eased the transition from middle school. I definitely enjoyed this opportunity to welcome our new Cobras! Our school counselors presented our Freshmanology program for parents and provided important information to help our parents support our freshmen during their high school educational journey and beyond.

In the last few weeks we have distributed schedules, Chromebooks, and IDs. Our Cobra Matrix of expectations has been reviewed with students and our Cobras are Courteous, On time, Responsible & respectful, A role model and Safe. On Friday, August 12 our students participated in a school-wide social media lesson which reminded students not to post or link anything to social media networking sites that they would not want peers, teachers, college admissions officers, or future employers to access. In addition, if the use or posting to a social media site creates a substantial and material disruption on a school campus, regardless of the time or location while posting to a social media site, students will be subject to the behavioral standards set forth in the Student Code of Conduct.

Students in our Physical Education classes also participated in a Living Skills in Schools presentation which focused on the dangers of vape and impact on health. Vape infractions result in consequences in alignment with the District behavior matrix. We regularly teach our students about school safety and have conducted code yellow, code red, and fire drills. Teaching and learning is being observed throughout the campus. Clubs and sports are underway. This vibrant school community is committed to providing each student with opportunities to enrich their high school experience. Every day is a busy day in Cobra Country and we hope that you can join us for many activities! We look forward to you joining us for an in-person Open House on Tuesday, September 13 starting at 6:00 p.m. Traffic will be heavy, so please plan on arriving early to meet the teachers and find out about your student's class content.

By working together, we support each student as we "Commit to Excellence". Please check our website ([www.pvchs.com](http://www.pvchs.com)), follow us on facebook ([parkvistacommunityhighschool](https://www.facebook.com/parkvistacommunityhighschool)) and twitter ([@pvcobrashes](https://twitter.com/pvcobrashes)). I would also like to invite you to follow me on twitter ([@Vela\\_Ldrshp](https://twitter.com/Vela_Ldrshp)).

Thank you for staying connected with us in Cobra Country!

Educationally Yours,

Dr. Enrique Vela

## Student Government Happenings

Since July, Student Government has been working hard to prepare the hallway decorations for **Homecoming**. The Faculty & Staff Committee has been busy with welcoming new teachers to Park Vista and welcoming back our returning teachers. We also helped at **Teacherfest**, which is an event welcoming all the new teachers in our District. The Student Concerns Committee held Freshmen Elections and they were a success! The **Freshmen class of 2026** has been meeting to organize for their Homecoming festivities as well. We enjoyed preparing for our first home Football game which was tropical-themed. The tail gate party was a huge success! Finally, Student Government is helping to plan **Club Rush** for clubs on campus to advertise themselves to the student body which will be held on September 9th.
