Why Cambridge?

The Cambridge Pathway prepares students for life by helping them develop an informed curiosity and lasting passion for learning.

Cambridge Primary helps students become confident, responsible, reflective, innovative, and engaged. Thereby assuring readiness to tackle the demands of tomorrow and capable of shaping a better world for the future.

With the Cambridge Pathway, students build more than just a deep understanding of their subject. They also develop higher order thinking skills so they can apply what they've learned.

Cambridge Primary

Cambridge Primary is a great place to start your child's learning journey because it:

- allows students to explore subjects in real depth
- incorporates a global vision of learning with sensitivity to cultural differences
- encourages critical thinking and the development of problem-solving skills
- prepares students for accelerated academic programs in middle and high school

CONFIDENT

when working with information and ideas - their own and those of others

RESPONSIBLE

for themselves, responsive and respectful of other; taking ownership of their learning

REFLECTIVE
