Parent/Guardian Handbook
Jupiter Farms Elementary

EXTENDED LEARNING PHILOSOPHY

The purpose of the Department of Extended Learning is to facilitate opportunities for quality afterschool programs which meet the fundamental needs common to all students during afterschool hours. It is important that students have access to the best possible opportunities to develop into healthy, well-adjusted and responsible adults.

REGISTRATION

Upon acceptance into the afterschool program, a completed registration form and \$25.00 registration fee is due and secures a student's place in the program. The \$25.00 registration fee is non-refundable after the first day of school, but can be transferred to another District afterschool program. Students CANNOT register in any afterschool program if they have outstanding afterschool fee balances within the District.

Applicants are registered on a first-come, first-serve basis, based on space availability and staffing. A wait list is established when the program is at capacity. As students apply throughout the year their names are added to the wait list until additional staff can be hired to reduce the wait list.

AFTERSCHOOL HOURS

Afterschool is a quality enrichment program, located in a safe setting, offering scheduled academic and special activities and cannot accommodate occasional drop-in service. Students must be enrolled and tuition must be paid in accordance to the fee payment schedule for any of the below programs:

Morning Care program, Monday – Friday (6:30am to 7:30am), if applicable to school site

Full-time program, Monday – Friday (2:00pm to 6:00pm)

Part-time program, Monday – Friday (2:00pm to 4:00pm)

*Refer to school calendar for student attendance days

PAYMENT POLICIES

Fees are calculated based on contracted attendance and are prorated throughout the year. Tuition must be paid in full for the entire month; it cannot be paid for by the hour. To support families in budget planning, payments may be made in one payment for the complete month OR in two installments per month. Payments must be made prior to services rendered. If your student(s) enroll after the first installment due date, the total monthly tuition OR the first installment must be paid upon registration. All afterschool fees must be paid in the afterschool office to the afterschool director or designee. Afterschool fees may not be paid at the school front office or given to teachers. For any payments made in cash or money order, a receipt must be issued immediately.

LATE PAYMENT FEES

Payments not made on or before due date are subject to a **late payment charge**. Late payment charges are assessed after each installment due date (twice monthly). Accounts with a balance greater than \$10.00 will be billed a \$5.00 late payment fee.

LATE PICK-UP FEES

For every minute that a parent/guardian is late in picking up his/her child/children, a late pick-up fee of \$1.00 is charged. **Multiple late pick-ups can lead to a student being removed from the program.** Listed below is a sample of the late pick-up fee charges of \$1.00 per minute:

Department of Extended Learning
Parent/Guardian Handbook
Jupiter Farms Elementary

Part-time 2:00 - 4:00 pm, student being picked up at 4:10 will incur a \$10.00 late charge
Full-time 2:00 - 6:00 pm, student being picked up at 6:15 will incur a \$15.00 late charge

REFUND/CREDIT POLICIES

To withdraw a student from the afterschool program, parent must notify the director in writing two weeks prior to withdrawal in order to receive a refund payment. Other requests for refunds will not be granted. If a student is required to quarantine by the school site, a credit will be applied for the days missed due to quarantine, up to five school days. The credit can be used for future services. A refund will not be issued for mandated quarantine.

DISMISSAL/SIGN-OUT PROCEDURES

All students must report to afterschool directly after school dismissal. Attendance is taken and submitted to the afterschool office within the first fifteen minutes of programming. Students absent during the school day may still attend the afterschool program, provided they are healthy and a parent/guardian has signed them into the program. Only authorized persons as designated on the registration form can pick up the child. For safety reasons calls from parents/guardians are not adequate for dismissal. Authorized persons must be eighteen years of age or older and have a valid photo ID card to show daily to afterschool personnel upon release of student. The *Under Age Pick Up Permission Slip* (PBSD 2502) must be completed if a parent/guardian requests a minor under the age of eighteen pick up their child. These minors must show valid photo identification to pick up a student.

Unless there is a specific State of Florida (any other state is not valid) custody order on file with afterschool, a student may be released to the non-custodial parent/guardian if listed on the student's registration form. Parents/guardians are responsible for keeping information regarding authorized persons and custody orders current. Custody issues must be resolved outside of the school center. Inappropriate behavior from persons picking up a student, including threatening, hostile language will result in parents/guardians having to make other arrangements for student pick-up, or termination of afterschool services for their child. Parent/Guardian/Authorized Person must come to the school to sign his/her complete legal name (initials are not permitted), date and time on a sign-out sheet. Signature cards may be used to verify illegible signatures.

BEHAVIOR POLICIES

Students take part in formulating group rules. Students are encouraged to make responsible choices and are rewarded for appropriate behavior. Inappropriate decisions by students result in logical consequences. The goal is to shape responsible students who have the power to choose the best behavior. Serious offenses may result in an Afterschool Behavior Report. Three Afterschool Behavior Reports during the school year may result in suspension or dismissal of a student from the program. If involved in any physical confrontation, and/or deemed dangerous to him/herself or others, immediate suspension or termination of the student from the program will be imposed. All child discipline practices are age-appropriate and consistent with School Board Policies 2.035 and 5.1812.

SNACK

Extended Learning's healthy snack program consists of a drink (milk, water or 100% juice) and at least two (2) healthy food choices. Please see the parent/guardian information board for a full snack menu to address any food allergies with the director.

HEALTH PROCEDURES

Students unable to stay with their groups due to injury or illness are held at the afterschool office or sign-out location. This program follows school day guidelines in dealing with emergencies. If necessary, minor first aid is administered by qualified staff and parents/guardians are notified at sign-out. For serious illness or injury, the afterschool office contacts parents/guardians immediately and immediate pick-up is necessary. In order to avoid injury, students are expected to follow the school day dress code and to wear closed-toe shoes at all times for safety.

Afterschool personnel cannot administer any type of medication unless a medical authorization form signed by a parent/guardian and the physician is on file in the afterschool office. **Students are not allowed to possess any medication at any time**, with the exception of prescribed asthma inhalers.

If a student exhibits any symptoms of COVID-19 during afterschool, they will report to the afterschool office. The afterschool director will notify their administration as they assess the wellness of the student to make the recommendation if the student should be sent home. The student will report to the designated isolation room to reduce the potential exposure of others while waiting for the parent or guardian. Contact telephone numbers for all authorized pickup persons must be current and on file. Students must follow guidelines contained in School Board Policy 5.3213 and any additional guidance from the Florida Department of Health and the Superintendent.

OPEN DOOR POLICY & RESOURCES

In striving to best serve families, please remember that the door to the afterschool program is always open. Authorized parents/guardians will be allowed access to the program in accordance with appropriate safety procedures, to include checking in to the front office and being escorted by staff to a designated location. Parent/guardian resources are available on the Parent/Guardian Information board located in the afterschool office. Families are considered partners in this afterschool program. Parents wishing to share their talents with afterschool students should contact the afterschool site director. Should a parent's schedule allow them to participate during afterschool hours or special events, they should check with the director to join the fun!

For any questions, please contact the afterschool site director at 561-741-5430.

IN CASE OF EVACUATION

In the event the need for an off-campus evacuation occurs, the parent pick-up site and emergency contact number are:

Parent pickup site is Beacon Baptist Church at 11616 W. Indiantown Road, Jupiter, FL 33478

Emergency contact Jenny Giambagno at 561-254-6808 or Suzanne Matuella at 561-301-9194

Florida Department of Health (the Department) and influenza, or “flu,” activity levels. Flu is a contagious respiratory disease caused by influenza viruses. It can cause mild to severe illness. Serious outcomes of flu infection can result in hospitalization or death. Some people, such as young children, the elderly, and people with certain health conditions are at high risk for serious complications from flu. The Department encourages families to get vaccinated for the flu.

Vaccination is the best way to protect against the flu and severe complications from the flu.

Vaccination is most crucial for children with underlying health conditions such as asthma, diabetes, heart disease, and neurological and neurodevelopmental conditions. The flu vaccine is offered in many locations including pharmacies, clinics, employers, and schools. Contact your healthcare provider, county health department, or visit <http://www.floridahealth.gov/findaflushot> to find a flu vaccine center near you.

The flu vaccine is safe. The national Advisory Committee on Immunization Practices (ACIP) recommends that all individuals six months of age and older receive the flu vaccine **each year**. Since infants under six months of age are too young to get vaccinated against influenza, it is important that family members (including pregnant or breastfeeding mothers) and other caregivers for these children be vaccinated to help protect them from the disease.

It is especially important that parents **keep sick children at home** to prevent spreading the flu virus to others. Additional flu prevention steps include staying away from people who are sick, covering sneezes or coughs with a tissue or your elbow, avoid touching your eyes, nose and mouth, and frequent handwashing.

If your child becomes sick with flu-like illness, contact your health care provider as soon after symptoms begin as possible. Symptoms of the flu often include fever, cough, sore throat, runny nose, body aches, headaches, or fatigue. Antiviral medication for flu has been shown to reduce severity and length of disease, decrease the risk of complications from influenza, and reduce the risk of death among hospitalized patients, particularly in those that start treatment early in their illness. Health care providers can prescribe antiviral treatment if appropriate. Treatment is most effective when started within 48 hours, so contacting your health care provider as soon as your child becomes ill is important, especially if your child has underlying health conditions.

The best way to keep yourself and your family safe and healthy during flu season is to:

Get vaccinated;

Keep sick family members home;

Contact your health care provider if you or your child are experiencing flu-like symptoms; and

Follow your doctor’s guidance on treatment.

For more information, please visit <https://www.cdc.gov/flu/index.htm>.
