

Palm Beach Public Comet Connection April 2023

Dear Comet Families,

I hope everyone had a wonderful spring break. Students and faculty seem recharged and ready to work hard as we finish the last two months of this school year.

The schoolwide collection for the animal shelters was a huge success. Thank you for the generous donations. The Peggy Adams Walk for the Animals raised more than \$1,300.00.

We are entering our state testing window with FAST STAR assessments for grades Kindergarten through two. Kindergarten will test April 18th and 25th, First grade will test April 19th and 26th, and Second grade will test April 17th and 27th. These assessments will give data to show how our students have grown and mastered skills throughout the year.

Please continue to prioritize school attendance and punctuality, as they are crucial to the academic success of all students. Students taking state assessments will not be admitted to class late on testing days. Testing begins first thing each morning.

Kindergarten Round Up will be held Tuesday, April 11th from 8:30 -9:30 a.m. This event is for families of incoming kindergarten students. Families will be able to meet the teachers and staff and tour the current kindergarten classes.

Mrs. Dana Yeckes, PE teacher, works with the American Heart Association each year to educate students about healthy heart living. Thanks to the students and families, our school donated over \$7,600.00 to the American Heart Association. The top two donors were Luis Gonzales (4th grade) and John Monsour (2nd grade). Both students raised over \$2,000.00 each! Way to go Palm Beach Public!!

Sincerely,

Christie Schwab
Principal
