

Woodlands Middle School

5200 Lyons Road

Lake Worth FL 33467

A Cambridge International School

Cambridge Academy

This program follows an international curriculum from the University of Cambridge that develops skills and understanding in **English, Math & Science** through a flexible curriculum targeted for all levels of learners (gifted / advanced / regular).

The Cambridge academy is designed for students that desire to develop into *confident, innovative, responsible, reflective* and *engaged* learners.

Cambridge students possess successful schooling habits of mind, and are willing to work towards them.

Pre-Information Technology

Do you enjoy computers, math, reading, science, and technology?

Students will be exposed to an early career focus in computers and IT-related industries, leadership abilities, community awareness, and responsibility, and master skills in keyboarding, Microsoft applications (Word, PowerPoint, Excel), and web-based software. Students gain experience in business technology and information communication.

- 6th grade: Information and Communications Technology
- 7th grade: Digital Discoveries in Society
- 8th grade: Computer Fundamentals

Pre-Information Technology Certifications

Digital Tools Certificates: Database, Web Design, Programming and Logic, and Gaming Essentials

Industry Certifications: Microsoft Technology Associate (Gr 7) and Web Foundations Associate (Gr 8).
