IT - Digital Design

The PBCHS IT - Digital Design Academy offers an innovative, integrated learning environment focused on computers, technology, and communications. The program provides the students with training and skills necessary for a career in or related to Digital Design. Students gain a basic knowledge of software, then increase their knowledge of design through multiple levels of courses which lead to Industry Certification. As a profession, digital design offers tremendous opportunities in a range of industries such as gaming animation, web design, television and video production, social media, marketing and art and creative professions.

Eligibility Requirements - 2.5 GPA

Courses and Experiences include:
Digital Information Technology
Digital Design 1
Digital Design 2
Digital Design 3

Possible Certifications:
Info Tech Specialist
Adobe Photoshop
Adobe Illustrator
Adobe InDesign
