

# BIOTECHNOLOGY ACADEMY

SPANISH RIVER ACADEMIES

The Biotechnology program is delivered in a state-of-the-art facility that offers students the opportunity to prepare for a career path in science and the challenges of rigorous college science courses.

A GPA of 3.0 is required for eligibility when applying to the Biotechnology Academy.

## Students in the Biotechnology Academy have the opportunity to:

- Complete college level labs in high school using advanced equipment and techniques
- Learn the basics of molecular biology and biochemistry
- Earn the Biotechnician Assistant Credentialing Exam, (BACE) which is an industry-recognized exam designed to assess core skills and knowledge sets identified by the industry and represented within the academic and performance standards of Florida's secondary Biotechnology program
- Participate in many science related clubs including; SECME, Science Olympiad, HOSA, Spark Engineering, Girls Who Code, and National Science Honor Society

## Courses Offered:

- Genetics Honors
- Bioscience 1 Honors
- Bioscience 2 Honors
- Bioscience 3 Honors
