

ENTREPRENEURSHIP ACADEMY

SPANISH RIVER ACADEMIES

The Entrepreneurship Academy at Spanish River High School is designed to prepare students interested in pursuing a university degree or career in business. The academy offers business courses focused on developing skills to enhance students understanding of business including: accounting, marketing, human resources, finance and more. Students will take part in real life experiences further developing their business skills.

A GPA of 2.5 is required for eligibility when applying to the Entrepreneurship Academy.

Students in the Entrepreneurship Academy have the opportunity to:

- Learn real-world skills including resume writing, interview techniques, and presentation skills
- Earn up to 12 college credits with advanced level Business courses through Cambridge's AICE program
- Compete in state and international business competitions with DECA through Finance, Marketing, Management, Accounting, and more
- Participate in stock market challenges and simulations
- Attend field trips and meet business executives from Fortune 500 companies and professional sports teams
- Participate in hands on activities developing group collaboration and emotional intelligence in a work environment
- Join National Business Honor Society
