

## West Boca Raton Community High Course Selection Offerings for 2023/24

Please use this course selection sheet as a reference for selecting the elective courses you would like to take.

You will need to input your selections into your SIS portal. Teachers will input core courses and academy courses. At the end of the course selection window, school counselors will review all students' selections to ensure that they are complete. Keep in mind, students have to take 4 core courses, Math, English, Science and Social Studies, in addition to 3 electives and/or academy courses. Keep in mind, it is our practice that all students take at least 4 accelerated courses (AICE, AP Industry Certification) by the time they graduate.

Students can use the elective priority column to rank their elective choice include some alternatives.

Collaboration is key for all to ensure the best possible selections.

Interested in obtaining the AICE Diploma, please complete this interest survey: <https://forms.gle/vpLKNDRxwGXYjVuv7>
