INTRODUCTION

On July 10, 2018, the Office of the Inspector General (OIG) received a complaint from I.T. Specialist-I Ann-Marie Haddad alleging that on May 12, 2018, a memorial service was held at Inlet Grove Community High School cafeteria from 11:00 AM to 6:00 PM. According to Ms. Haddad a lease agreement for the cost of the memorial was $1,487.50. Ms. Haddad added that
there was no check entered in the District’s TRIRIGA System, or the School Online Cash System, for the service.¹

*Allegation: Inlet Grove Community High School staff allegedly did not input $1,487.50 received for a lease into the District’s TRIRIGA or School Online Cash Systems.*

**Testimony of IT Specialist-I Ann-Marie Haddad**

Ms. Haddad stated she works at the District central office as an IT Specialist in the IT Department and has been employed by the District a total of three years. Ms. Haddad stated she contacted the Inspector General Hotline due to information she received from district personnel that she did not want to identify. The information she received was regarding a funeral service held at Inlet Grove Community High School on (Saturday) May 12, 2018. The memorial service was allegedly paid

² The OIG findings were determined using the standards that appear on the signature page at the end of this report.
for with a check that was not entered and reconciled in the District’s TRIRIGA system as payment for the memorial service. Ms. Haddad stated no further information was provided to her.

Ms. Haddad stated the lease of a District facility is determined by the size of the rental space. If a church has an agreement with the school to conduct church services after school hours, then a set rate is determined by using the District’s calculator to calculate how much the church will pay for the lease. The church must then complete a lease agreement with that school which permits the church to conduct a service at the school.

Ms. Haddad stated all District schools are required to document leases in the District TRIRIGA system and to show reconciliation of the lease. The lease payment is broken down into two parts: The District receives 35%, and the school receives the remaining 65% of the lease payment.

Ms. Haddad stated she and Technical Analyst-III Rosa Dawson facilitated training for Inlet Grove staff regarding using the District TRIRIGA system. The attendees were Dr. Emma Bank, Cassandra Santos, and Jodi Ingram. Ms. Haddad stated the lease coordinator inputs all lease agreements in the TRIRIGA system. She did not know who was the Inlet Grove lease coordinator. Ms. Haddad stated the training was required because Inlet Grove staff had not entered leases in the District TRIRIGA system in the past.

Testimony of IT General Manager Sara Anderson

Ms. Anderson stated she works at the District central office as the General Manager of IT Solutions and has been employed by the District for a total of ten years. Ms. Anderson stated she received a phone call from a friend that she did not want to identify about a lease that occurred at Inlet Grove. Ms. Anderson does not know the name of the church that leased the space from the school. Ms. Anderson stated she does not know if custodial staff were assigned to work after the event. The cost of the event was approximately $1,500.

Ms. Anderson stated a lease agreement payment is determined by using two methods. The preferred method is using the District website lease estimator, which calculates the cost of the lease based on the size of the room or building. The second method is to contact the school and speak with the lease coordinator who will provide a quote.

Ms. Anderson stated she is the software manager for TRIRIGA, and that all leases are required to be entered in the District’s TRIRIGA and Cash On-line systems 48 hours before the event. Ms. Andersons stated that schools can accept cash, check or credit card as payment.

Ms. Anderson stated Inlet Grove staff received training on how to operate the District’s TRIRIGA system in the fall of 2017. The staff that attended the training were Dr. Emma Banks, and two confidential secretaries. Technical Analyst-III Rosa Dawson and Specialist-I Ann-Marie Haddad facilitated the training. Ms. Anderson indicated the training was facilitated because previous leases were executed and not entered in the District TRIRIGA system by Inlet Grove staff. Ms. Anderson stated she does not know who the leasing coordinator is at Inlet Grove.
Testimony of Technical Analyst-III, Rosa Dawson

Ms. Dawson stated she is a Technical Analyst-III for leasing and has been employed by the District for a total of thirty-three years. Ms. Dawson stated Specialist-I Ann-Marie Haddad told her that a memorial service occurred at Inlet Grove on May 12, 2018. Ms. Haddad told her about the memorial service because it involved a lease agreement. Ms. Dawson stated she did not know the name of the church that held the memorial service, nor does she know the custodial staff assigned to clean up after the memorial service. Ms. Dawson stated she did not know the rental charge for the memorial service or what if any type of payment was received for the rental.

Ms. Dawson stated lease agreements are to be documented in the District’s TRIRIGA system. However, there was no entry in the TRIRIGA for a memorial service at Inlet Grove on May 12, 2018. Ms. Dawson stated TRIRIGA training was provided to Dr. Emma Banks, Jodi Ingram and Cassandra Santos.

Ms. Dawson said that there were discrepancies regarding lease agreements at Inlet Grove because several inquiries for leases were received and not fully completed in the TRIRIGA system between February 2017 and October 2017. Ms. Dawson stated if a lease is not entered in the TRIRIGA system there is no way to determine if a lease occurred unless the school is contacted to verify a paper lease document. Consequently, the School District will not know how much rental payments should be coming from the school. The paper lease document was the old way of keeping records of leases before the introduction of the TRIRIGA system.

Testimony of Confidential Secretary Cassandra Santos

Ms. Santos stated she is the Administrative Secretary for Dr. Banks at Inlet Grove and has been employed by Inlet Grove for four years. Ms. Santos explained that no funeral or memorial service occurred at the school on May 12, 2018. Ms. Santos stated that the current lease coordinator is blank. Ms. Santos stated she did not enter any leases in the District’s TRIRIGA system during the 2017/2018 school year. Ms. Santos confirmed that she received training regarding operating the District’s TRIRIGA system.

Testimony of Lead Custodian Kirk Patrick

Mr. Patrick stated he is the Lead Custodian at Inlet Grove and has been employed by the District for a total of four years. Mr. Patrick stated he is the custodian assigned to work during events that occur at the school after hours or weekends. Mr. Patrick stated he was not assigned to work at the school on May 12, 2018. Mr. Kirk added that a memorial service did not occur at the school on May 12, 2018.

Testimony of Custodian Jorge Castro

Mr. Castro did not speak English. Inlet Grove Administrative Assistant Elisa Espinoza assisted with interpretation of interview questions and testimony. Mr. Castro stated he has never worked on the weekends and that he was not assigned to clean the cafeteria on May 12, 2018.
Testimony of Custodian Ledys Sosa

Mr. Sosa did not speak English. Administrative Assistant Elisa Espinoza assisted with interpretation of interview questions and testimony. Mr. Sosa stated he has never worked on the weekends and that he was not assigned to clean the cafeteria on Saturday May 12, 2018.

Testimony of CEO/President Dr. Emma Banks

Ms. Banks stated she is the Chief Executive Officer (CEO), founder of Inlet Grove Community High School. Ms. Banks stated she has been the CEO and founder of Inlet Grove for fifteen years. Ms. Banks stated six custodial staff are assigned to clean the school and provide maintenance for school repairs. Custodial staff are not assigned to work weekends.

Ms. Banks stated former confidential secretary Jodi Ingram was the lease coordinator who resigned in June 2018. The current lease coordinator is [REDACTED]. A lease between the school and the community has two steps; the first step is that the confidential secretary enters the lease details in the District’s TRIRIGA system, the second step is the approval process. Ms. Banks said she approves or denies leases. Ms. Banks stated last year she, Jodi Ingram and Cassandra Santos attended TRIRIGA training facilitated by the District staff.

Ms. Banks said that no funeral or memorial service occurred at Inlet Grove on May 12, 2018. Ms. Banks stated on August 4, 2017 and August 5, 2017, a repast and funeral occurred at the school for an Inlet Grove staff’s family member. Ms. Banks stated when she became the CEO of Inlet Grove in 2003 funerals could occur at District schools. She said she did not know that funerals were prohibited in District schools until a conversation with former Superintendent Dr. Robert Avossa and former School Police Chief Lawrence Leon. Dr. Avossa and Chief Leon told her funerals with expired remains were not allowed to take place on District school campuses.

Ms. Banks stated she is not allowed to attend principal or policy meetings because Inlet Grove is a conversion charter school, and conversion charter schools are not invited to principal or policy meetings. Ms. Banks stated she is unaware of current or revised policies. Ms. Banks stated she would have continued to have funerals at the school if it had not been for Chief Leon and Dr. Avossa telling her funerals were not allowed on school campuses. Ms. Banks stated Dr. Avossa told her it is permissible to have a repast, but you cannot have an expired body on school grounds.

Testimony of former Confidential Secretary and Lease Coordinator Jodi Ingram

Ms. Ingram contacted the OIG telephonically on August 9, 2018 and stated that she worked for Inlet Grove from October 2016 through June 2018. Ms. Ingram stated while she worked at Inlet Grove; she was a confidential secretary and the lease coordinator. Ms. Ingram stated funeral services had occurred at the school in the past. Ms. Ingram stated while she worked as the confidential secretary, she would receive several phone calls from the surrounding community requesting quotes for memorial services, wakes, or repasts. Ms. Ingram stated she provided quotes for the services. Ms. Ingram stated she did not record a repast or memorial service in the District’s TRIRIGA system on May 12, 2018, because a repast or memorial service did not occur on Inlet Grove school grounds.
Testimony of current Confidential Secretary and Lease Coordinator

stated she has been employed by Inlet Grove Community High School for six weeks and is the lease coordinator. stated her responsibilities include administrative duties and inputting leases in the District’s TRIRIGA system. stated she has no information regarding a funeral occurring on May 12, 2018, because she was not employed at Inlet Grove High School at the time.

Testimony of Dispatcher School Police Deborah Cross

On August 24, 2018, the OIG contacted School Police Dispatcher Deborah Cross. Ms. Cross stated that according to her records, Ms. Banks opened the school on May 12, 2018, at 7:12 AM, and that no memorial service was reported to have occurred at the school.

Investigative Review

The OIG attempted to obtain security video from Inlet Grove for May 12, 2018. The OIG determined that Inlet Grove’s surveillance system is not equipped to record and retain surveillance footage beyond fourteen days. Dr. Banks stated during the month of May 2018 a school classroom was open for the nursing program students only and no memorial service was held at the school.

A review of Inlet Grove Community High School Lease Agreements for the Use of School Facilities provided by the school revealed that on August 4 and August 5, 2017, a repast and funeral took place at Inlet Grove auditorium and cafeteria (Exhibit 1). There was no lease agreement for a May 12, 2018 memorial service.

Dr. Banks provided the OIG an August 30, 2017, email between her and former Chief Operating Officer Dr. Donald Fennoc. The email shows that a discussion took place about lease agreements and funerals. Dr. Banks said that when she became aware that funerals could not take place on campus (Exhibit 2).

A review of the drop safe logs from May 1, 2018 through May 24, 2018, shows no deposit of $1,487.50 (Exhibit 3).

Inlet Grove Contract Background

In response to an April 16, 2012, question from a former School Board Member (Jenny Prior Brown), former Chief of Support Operations Joseph Sanchos responded as follows:

“The lease agreement with Inlet Grove for the “old” Suncoast facility was for a two-year period from August 1, 2010 until July 31, 2012. The District wanted to avoid the cost of maintaining an empty building and making necessary safety improvements in the “old” Suncoast High School because the school is eventually going to be torn down. Inlet Grove agreed to take on the financial responsibility for a list of improvements knowing the lease could end in relatively short number of years. Inlet Grove asked that if they were allowed to keep 100% of the generated lease revenue they would agree to fund a list of improvements that were made part of the lease agreement. In
addition to the required improvements, Inlet Grove is also responsible for 100% of the utility costs for the school as well as minor maintenance.

The Board approved the two-year lease allowing Inlet Grove to keep 100% and provided they spend at least 30% of the gross lease revenue on School Boards approved alterations as set forth in the lease agreement. This 30% represents the funds that the District would have collected on the lease, much of which would have gone right back into the school to take care of repairs that Inlet Grove has agreed to take on themselves (Exhibit 4). A seventh amendment lease agreement for the operation of Inlet Grove Charter High School has been attached to the original 2012 operational lease agreement and extended until July 31, 2019 (Exhibit 5).

According to Board Agenda RE-1 Former Suncoast High School Charter School Lease for the July 28, 2010, School Board Meeting, "The Tenant will be allowed to lease portions of the Leased premises in conformity with School Board Policy 7.18 Community Use of School Facilities and retain 100% of the gross lease revenue. Tenant shall be required to spend at least 30% on School Board approved alterations (Exhibit 6)."

Per School Board Policy 7.18 Community Use of District Facilities (6.b. i. & ii) Qualifications (Exhibit 7):

b. The Process and criteria for applying for a lease requires that the potential lessee:
   ○ Request that the School District facility complete a web-based lease in IBM TRIRIGA.
   ○ Provide the required additional documentation as identified in the IBM TRIRIGA lease program with the web-based lease.
   ○ Provide a copy of the certificate of insurance requirements as outlined by the terms and conditions of the lease agreement, naming the School Board of Palm Beach County, Florida as an additional insured, with the lease Agreement.
   ○ Potential Lessee must not be in default on a prior-lease payment with any District facility. Potential lessee must have fully compensated the District for any damages resulting from prior use.

g. Funeral services (i.e. services where the body or remains of the deceased person are present, including urns and caskets) are prohibited as a school sponsored event or under a lease. Memorial services commemorating the life of a deceased person shall only be permitted under the following circumstances:

I. As school sponsored event for a student who was enrolled at the school at the time of death, or a current or former District employee, and the service shall be exclusively for the student, faculty, staff, and immediate family of the deceased and not open to the general public upon approval in advance by the Regional Superintendent, Chief Operating Officer and Chief of Police.

II. Memorial services shall only be permitted under a lease under special circumstances conditioned upon:
- The service is accessory to a current ongoing lease (for example, an ongoing Church or public assembly lease), and conditioned upon approval in advance by the Regional Superintendent, Police Chief and Chief Operating Officer via Risk Management form PBSD #2498; or

- If the individual being memorialized had a significant affiliation with the school and/or community, as determined by the Superintendent or Deputy Superintendent/Chief of Schools, and conditioned upon approval in advance by the Regional Superintendent, Police Chief, (including pursuant to section 17.a. below) and Chief Operating Officer via Risk Management form PBSD #2498.

The District’s TRIRIGA lease payment histories for Inlet Grove Community High School shows eight leases occurred at Inlet Grove during the 2018 fiscal school year, totaling $16,614.27 (See Table 1). The District TRIRIGA system shows no data entry of a memorial service occurring on May 12, 2018, or of a $1,487.50 payment received.

Dr. Banks stated Inlet Grove does not have access to enter financial transactions in the District’s School Cash Online System to document financial balances of internal accounts. Inlet Grove has developed an in-house internal account system that is maintained by staff. According to the documents obtained from Dr. Banks forty-nine bank checks were deposited in Inlet Grove’s internal account between May 1, 2018 and May 21, 2018, totaling $13,822.06 (Exhibit 8). Of the forty-nine checks deposited there was no check for a memorial service payable to Inlet Grove for $1,487.50 (See Table 2).

OIG file
The evidentiary standard used by the School District of Palm Beach County OIG in determining whether the facts and claims asserted in the complaint were proven or disproven is based upon the preponderance of the evidence. Preponderance of the evidence is contrasted with "beyond a reasonable doubt," which is the more severe test required to convict a criminal and "clear and convincing evidence," a standard describing proof of a matter established to be substantially more likely than not to be true. OIG investigative findings classified as "substantiated" means there was sufficient evidence to justify a reasonable conclusion that the actions occurred and there was a violation of law, policy, rule, or contract to support the allegation. Investigative findings classified as "unfounded" means sufficient evidence to justify a reasonable conclusion that the actions did not occur and there was no violation of law, policy, rule, or contract to substantiate the allegation. Investigative findings classified as "unsubstantiated" means there was insufficient evidence to justify a reasonable conclusion that the actions did or did not occur and a violation of law, policy, rule, or contract to support the allegation could not be proven or disproven.

August 30, 2017, Email correspondence between

Dr. Banks and Dr. Fennoy
Thank you very much. I really appreciate it. We need to know when changes are taking place so that I plus we can be in compliance. With 50 years in education, I am not interested in going against policies that are in place, but I will continue to be an advocate for children. I really hope one day that some district employee will stop informing me that "You are a charter school and you do what ever you want." That's not a true statement.

Dr. Banks.

Dr. Banks,

I'm not able to speak to what was communicated in the past. What I will say that moving forward, we will make sure your team will be given the procedures for leasing district facilities. The team will also schedule a time so that members of your team can be trained on the appropriate procedures moving forward. The letter you received from me was sent to level set expectations and to clarify district policies moving forward. I will instruct the leasing team to reach out to your team as procedures and policies are changed or adjusted by the staff and board.

Thank you!

Good Afternoon Dr. Fennoy:
Please be aware that I am following my lease agreement and I was not aware that funerals could not be held on Inlet Grove Community High School campus. In the past, funerals were allowed on all district properties. Before I ever allowed a funeral, I was given permission from the district real estate office (Mr. Barry Present). When Dr. Avossa informed me, that funerals were not allowed, I immediately informed my staff.

This is why I requested permission to attend the opening of school meeting, so that I would be aware of any new policy changes.

We report the monies every year to the district as required. The account is kept as is indicated in your letter. If you have any questions, please contact Mr. Barry Present’s office and they can provide you with the information.

We only had a FALL festival to raise money for our school clubs. We have also tried to have a Flea Market with no success.

Do I need to get approval for school activities that we have in the evenings? Such as fashion shows, talent shows, dance competition and plays? These are evening activities sponsored by our clubs on our campus to help raise money for our school.

When the district school board members want to have a forum at Inlet Grove Community High School, do I need approval from you?

In the future, would you please provide me with any changes to School District policies therefore I can remain compliant.

Please see attachments.

Thank you in advance for your cooperation in this matter.

Sincerely,

Dr. Emma Banks

EXHIBIT #4
Palm Beach County School District
Board Document Minutes
On April 16 Board Member Jenny Prior Brown asked the following questions regarding Board Item PR5 - Inlet Grove Community High School Lease Amendment

Question: As I understand it, this charter school gets to utilize our SD facility for $0 rent. Please explain why charter schools can turn around and rent our property for a profit.

Response: Inlet Grove and South Tech are conversion charter schools that have specific agreements that address their use of School District facilities. Inlet Grove was located at the School Board's former North Tech campus in Riviera Beach. The Conversion Charter Agreement was a five year agreement from July 1, 2004 - June 30, 2009 and allowed Inlet Grove to lease specific areas of the North Tech campus. The School Board was to receive 10% of the rental income. This was the same arrangement for both Inlet Grove and South Tech in the original agreements.

Question: Do we allow all charter schools?

Response: No, the majority of the charter schools are not located in School Board facilities.

Question: Please justify the revenue sharing in this lease.

Response: Inlet Grove was selected from an RFP to move into the vacated "old" Suncoast HS facility that was earmarked for demolition and slated to become the site for the new Riviera Beach Area HS (03-MMM). The Board decided to make the "old" Suncoast HS facility available to charter schools after the decision was made to place the demolition of the "old" Suncoast HS on hold pending funding for the new Riviera Beach Area HS (03-MMM).

The lease with Inlet Grove for the "old" Suncoast facility was for a two year period from August 1, 2010 until July 31, 2012. The District wanted to avoid the cost of maintaining an empty building and making necessary safety improvements in the "old" Suncoast HS because the school is eventually going to be torn down. Inlet Grove agreed to take on the financial responsibility for a list of improvements knowing the lease could end in a relatively short number of years. Inlet Grove asked that if they were allowed to keep 100% of the generated lease revenue they would agree to fund a list of improvements that were made part of the lease agreement. In addition to the required improvements, Inlet Grove is also responsible for 100% of the utility costs for the school as well as minor maintenance.

The Board approved the two year lease allowing Inlet Grove to keep 100% and provided they spend at least 30% of the gross lease revenue on School Board approved alterations as set forth in the lease agreement. This 30% represents the funds that the District would have collected on the lease, much of which would have gone right back into the school to take care of repairs that Inlet Grove has agreed to take on themselves.

RE: -1 Former Suncoast High School Charter School Lease Recommendations
Title: RE- 1 Former Suncoast High School Charter School Lease

Recommendation:
I recommend the School Board approve the Lease Agreement between Inlet Grove Community High School, Inc., a Conversion Charter School and the School Board of Palm Beach County for the former Suncoast High School located at 800 West 23rd Street, Riviera Beach, and authorize the Chairman and Superintendent to sign all necessary documents.

Description:
1. Suncoast High School is relocating to their new campus located at 1717 Avenue "S", Riviera Beach, for the 2010-2011 school year.
2. The former Suncoast High School has been declared as "Interim" and is available for lease.
3. On March 29, 2010 the School District distributed a Solicitation to Charter Schools to lease property at the former Suncoast High School. (See Exhibit "A")
4. Inlet Grove Community High School, Inc., a Conversion Charter School was the only school to submit a proposal.
5. Inlet Grove Community High School met all the eligibility requirements.
6. The term of the lease shall commence on August 1, 2010 and extend until July 31, 2012.
7. Inlet Grove may request one year extensions that will require School Board approval.
8. The tenant may not make any improvements, additions, modifications or alterations to the Leased Premises without School Board approval.
9. The School Board shall be responsible to make repairs to the roof, structural, electrical and plumbing systems.
10. The Tenant will be allowed to lease portions of the Leased Premises in conformity with School Board Policy 7.18 Community Use of School Facilities and retain 100% of the gross lease revenue. Tenant shall be required to spend at least 30% on School Board approved alterations.
11. The School Board and Tenant shall be responsible for the respective improvements set forth in Exhibit "C". The School Board’s portion of these improvements is not to exceed approximately $305,000.00.
12. Tenant shall be responsible for all utility fees related to the operation of the Lease Premises.
13. Upon termination or expiration of the lease the tenant shall be permitted to reoccupy its original facility "Inlet Grove".
14. If the School Board determines that the Leased Premises shall be demolished to prepare for the construction of the New Riviera Beach Area High School, the School Board has the right to terminate the lease by providing tenant 120 days prior written notice. The School Board shall pay all reasonable moving costs associated with Tenant’s relocation back to the original facility, in an amount not exceed $3,000.00
15. Board approval is contingent upon execution of the lease by Inlet Grove.

Palm Beach County School District
Policy 7.18
Community Use of District Facilities
Policy 7.18 - Community Use of District Facilities

1. Purpose

The School Board recognizes that the use of facilities by the public may be mutually beneficial to all parties involved. In accordance with Fla. Stat. §§ 1001.43(5) and 1013.10, the Board may adopt policies and procedures necessary to protect school facilities and grounds when used by the community. This policy is to provide uniform procedures for the use of the District’s facilities by the public.

2. Definitions

a. Commercial Organizations shall include all for-profit organizations and private individuals.

b. Non-profit Organizations shall include civic, religious, or community organizations that qualify as non-profit entities under the Internal Revenue Service Code and/or are a not-for-profit corporation under the law of a state and/or governmental entities.

c. Behavioral Health, Cooperative or Service Agreement Agencies shall mean not-for-profit organizations that have an agreement with the School Board for the benefit of the children, and/or schools and/or District.

d. Interlocal Agreement shall mean an agreement entered into by the School Board and one or more governmental entities under the authority of and for the purposes set forth in Chapter 163, Florida Statutes.

e. Polling Places shall include the Supervisor of Elections and individual municipalities for securing sites for their elections.

f. School-Based Organizations shall mean those volunteer organizations generated by the existence of a District-operated, non-charter school (e.g. School Foundations, booster clubs, parent-teacher organizations or associations).

g. Employee-Based Organizations shall mean District-recognized employee organizations such as the Staff Association, Principal’s Association, labor unions representing employees, Wellness Partners, Corporate Care Works, and professional associations and or other organizations that provide professional development opportunities primarily for the benefit of District employees or school-based personnel (i.e., school nurses).

h. Girl and Boy Scouts shall mean the Girl Scouts of the United States of America and the Boy Scouts of America.

a. Potential Lessee shall mean an individual, entity or organization that has made a request to lease a District property or facility.
j. In-Kind Contribution shall mean payment in goods or services that directly benefits a school or facility in lieu of the payment of money.

3. Policy Statement

The Superintendent or designee shall manage and supervise the leasing process for community use of District facilities using industry best practices. By permitting community uses of District properties and facilities, it is not the intent of the School Board to create or open any Palm Beach County School District property or facility as a public forum or a limited public forum for expressive activity, nor is it the intent of the School Board to create a venue or forum for the expression of partisan political or controversial subjects which are inconsistent with the educational mission and vision of the School Board and the community values or which could be perceived as bearing the imprimatur or endorsement of the School Board.

4. Aquatic Facilities of the District

School District aquatic programs, practices and scheduled meets will have priority for the use of District swimming pool facilities. Swimming pool facilities are to only be leased for aquatic programs and competitive activities such as swimming, diving, water polo practices and competitions and shall not be leased for leisure activities such as pool parties and/or open swims.

5. Filming

a. If the lease involves Filming as defined in Policy 2.54, in addition to the lease, the approval of the Superintendent is required pursuant to Policy 2.54 and the additional conditions of Policy 2.54 must be included in the permit issued by the Palm Beach County Film and Television Commission or an addendum to the lease.

b. In cases where there are clear benefits to the District or its students, the Superintendent has the authority to waive leasing fees for filming, as determined to be in the best interests of the School Board. The Facility Lease Fee Waiver Documentation form PBSD #2574 must be completed, fully executed and uploaded to the IBM Tririga system.

6. Qualification

a. All qualified entities as defined in sub paragraphs 2 a, b, d, f, g, and h, above, and set forth in the Matrix, which is incorporated herein by reference and attached hereto, including those under an Interlocal Agreement as stated below in Paragraph 10, shall be required to complete a lease agreement in the IBM Tririga system. A lease is required for all non-school events, non-District events and non-school sponsored events. A lease is required for all events for School-Based Organizations (PTA, PTO, PTSAs) except for regular PTA, PTO, PTSAs meetings. All PTA, PTO, or PTSAs must provide a copy of their certificate of insurance naming the School Board of Palm Beach County, Florida as an additional insured to their respective school principal upon renewal each year.

b. The process and criteria for applying for a lease requires that the Potential Lessee:
   i. Request that the School District facility complete a web based lease in IBM Tririga.
   ii. Provide the required additional documentation as identified in the IBM Tririga lease program with the web based lease.
   iii. Provide a copy of the certificate of insurance including insurance requirements as outlined by the terms and conditions of the lease agreement, naming the School Board of Palm Beach County, Florida as an additional insured, with the Lease Agreement.
   iv. Potential Lessee must not be in default on a prior-lease payment with any District facility. Potential Lessee must have fully compensated the District for any damage resulting from prior use.

c. Applying for a lease does not obligate the District or its Principal/Director to agree to lease to that Potential Lessee. Principals/Directors shall use their discretion in only approving Potential Lessees and events or activities that are not inconsistent with the educational mission and vision of the School Board and the community values. Principals/Directors shall decline to enter into a lease with a Potential Lessee for activities or events that include partisan political rallies. Principals/Directors shall use their discretion in deciding whether to approve or not approve a Potential Lessee when the activity or event is anticipated to address controversial social issues.
